<b>Key</b>					
<b>Memorandum of Articulation</b>	Facilitates student entry to the University with advanced standing, recognizing student achievement as evidence of meeting admission requirements for defined programmes at the University.	<b>Exchange / Study abroad</b>	An agreement with a partner body under which students of each institution may spend periods of study attending the other.		
<b>Franchise</b>	A franchise is where the whole, part of (for example a level) or individual module(s) of a university course is delivered and assessed in an institution other than our university by academic staff not employed by our university. Under franchise the curriculum content and summative assessments must correspond to that being used onsite at our university.	<b>Joint delivery</b>	A whole, part of (for example a level) or individual module(s) of a course is delivered and assessed jointly by our university and the partner.		
<b>Joint delivery (off-site delivery)</b>	A whole, part of (for example a level) or individual module(s) of a course is taught and assessed by university staff in a location other than the main campuses of our university.	<b>International representative</b>	An agreement with a partner body whereby the partner body acts as an international representative for the recruitment of students to programmes of study at the University.		
<b>Memorandum of Understanding</b>	Memorandum of understanding. An agreement with a partner body that sets out the general purpose of the parties working together to develop a long-term partnership.	<b>Validated delivery</b>	A whole, part of (for example a level) or individual module(s) of a course is developed by an external institution and presented for validation by our university as an award of our University. Once validated, the delivery and assessment of the award is undertaken by the external institution. Under validated delivery, curriculum structure, content and assessment must be consistent with the design principles of our university's curriculum.
