

SEEDS International Conference 2018

Accommodation Information for Delegates

The conference venue is the new DIT Grangegorman campus. The campus is the location for what will be DIT's new home. Currently there are some 1,000 students there and very recently the second phase of the campus has been approved and construction will commence soon. Details of the campus location can be found at the following link:

<http://dit.ie/grangegorman-campus/howtogettoarangegorman/>

Please note that DIT has numerous campuses around Dublin City and all are not close together, so make sure you take note that the Grangegorman campus is near Smithfield.

While for some participants, it may be possible to travel on the morning but for those who need to travel in advance the following is a list:

Recommended hotels:

The Morrison Hotel, Ormond Quay Lower, Dublin 1 – <https://www.morrisonhotel.ie/>

Maldron Hotel, Smithfield - <http://www.maldronhotelsmithfield.com/>

Very close by, maximum of 7 minutes' walk.

Bed and Breakfast type accommodation

Tipperary House, 7 Parkgate Street, Dublin (close to campus) Or
Bridge House Dublin, 24 - 25 Parliament Street, Dublin 2

Student Hostel accommodation

Try the following link: <http://www.dublinstudentrooms.com/>

Unfortunately, there is no student accommodation available to students on the new campus at present.

Ryanair and Aer Lingus fly to Dublin from UK destinations directly. If you book far enough in advance flights can be quite cheap with Ryanair especially.

We hope this information will be of assistance
