Main report

In this section you are asked to describe more fully how the University has or has not maintained threshold academic standards and the quality of the student experience in relation to the course(s) for which you are the external examiner, using as a reference the framework for higher education qualifications and applicable Subject Benchmark Statements / Qualification Characteristic Statements.

Please complete all sections of the form fully and where not applicable please state N/A. Where applicable please also complete the sections for any collaborative provision sampled.

If you are an external examiner for any of the University's Pearson Licensed Centre Programmes (HND/HNC level) provision, please also complete the section on page 9 sections l, m and n entitled "for External Examiners Associated with Pearson Licensed Centre Programmes."

Professional Body Requirements

	Yes	No	N/A*
"In my view, the professional body requirements for this course have been met. *Not applicable if the course is not a professional body course please indicate here.			
If your answer is 'no', please provide a brief statement (bullet points) of the respect(s) in which they fall short.			

(a) The operation and conduct of the Progression and Award Board (and/or Module Board meeting you may also have attended).

The PAB was conducted according to the university regulations and guidance.

(b) The action, if any was required, taken in response to your report of last year. (This will not be relevant if you are examining for the first time.)

(c) The overall performance of the students, in relation to that of comparable levels of work in other institutions.

The overall level of student performance is very good and compares favourably with the performance of other students at this level in other institutions.

(d) The strengths and weaknesses of the students in general with respect to knowledge, conceptual grasp or application of skills.

A particular strength of the student performance is the level of application and engagement.

(e) The standards of the structure, organisation, design and marking of all examination papers and/or other forms of assessment.

Assessment of student learning is well-designed in terms of structure, very well organised and all marking and moderation processes are applied rigorously and fairly across assessments.

(f) The curriculum, teaching or resourcing of the programme of study as indicated by the performance of the students in the assessment

The student performance reflects the interesting and imaginative course learning materials, obviously high levels of commitment and enthusiasm of staff, and the level of expertise amongst the teaching.

(g) Comments on the use of My Beckett (Virtual Learning Environment) within the course (if applicable).

Excellent.

(h) Module content, consistency of modules and module assessment across the course and the achievement of learning outcomes. (You may be asked by your School to provide detailed comments on the modules that you examine.)

The module content and assessment are aligned in terms of learning outcomes, and offer ample opportunity for students to be challenged and to demonstrate their learning.

(i) Areas of student/staff engagement in teaching and learning, scholarship, research or professional practice.

Teaching staff demonstrate high levels of expertise and experience in their pedagogy.

(j) The University welcomes external examiners' comments on its academic regulatory framework. Such comments may not have a direct bearing on standards set and achieved or the conduct of processes and so it may not be appropriate to include them elsewhere in this report or its summary. Please record any concerns or comments you may have here.

I have absolute confidence in the rigour and robustness of the academic assessment processes which I observed.

(k) Collaborative Provision: please include here any comments you wish to make on elements of collaborative provision for which you have responsibility (in addition to those you may have indicated previously in this report).

No comments.
