External Examiner's report summary

(a) The operation and conduct of the Progression and Award Board (and/or Module Board meeting you may also have attended).

The board's decisions were fair and followed the underlying policies, supported by changes as a result of COVID19.

(b) The action, if any was required, taken in response to your report of last year. (This will not be relevant if you are examining for the first time.)

(c) The overall performance of the students, in relation to that of comparable levels of work in other institutions.

The results were consistent with my expectations in respect of overall attainment and progression. As with many A&F courses progression can be impacted by the amount of examinations as part of the overall assessment profile.

(d) The strengths and weaknesses of the students in general with respect to knowledge, conceptual grasp or application of skills.

As progression/award board external examiner I am unable to comment

(e) The standards of the structure, organisation, design and marking of all examination papers and/or other forms of assessment.

Unable to comment as outside of my role

(f) The curriculum, teaching or resourcing of the programme of study as indicated by the performance of the students in the assessment

No concerns to note. It would appear the programme is well designed and resourced to enable a good level of delivery to students.

(g) Comments on the use of My Beckett (Virtual Learning Environment) within the course (if applicable).

Unable to comment as outside of my role
