Key

Collaborative Provision

Distributed delivery	The delivery and assessment of a University award, at a partner's premises or via distance learning or a combination of both by University staff. This may include some input from staff at the partner eg tutorial support, supervision, delivery of specialist material, access to faculties and resources, use of partner's virtual learning environment.
Franchise Delivery	The delivery and assessment of all or part of a University award at a partner, by the staff of the partner. The University retains overall responsibility for the content, delivery and QA arrangements. May also involve the co-development of a course by the University and the partner* *Co-development of a course may occur over time and could relate to course content, delivery structure and model
Shared Delivery	The delivery and assessment of a University award (part / full award) at a partner, by both partner and University staff. This may include some input from staff at the partner e.g. tutorial support, supervision, delivery of specialist material, access to facilities and resources, use of partner's virtual learning environment.
Validated Delivery	A course wholly or partially developed by a partner, potentially with University support and normally applying the University UG/PG framework. Validated by University to lead to University credit and / or University award. Wholly delivered by a partner.

Partnerships

Exchange / Independent Study abroad	An agreement with a partner body under which students of each institution may spend periods of study attending the other.
International Representative Agreement	An agreement of the contractual and financial arrangements with a partner body whereby the partner body acts as an international representative for the recruitment of students to programmes of study at the University.
Memorandum of Articulation	An agreement with a partner body that facilitates student entry to the University with advanced standing, recognising student achievement as evidence of meeting admission requirements for defined programmes at the University.
Memorandum of Progression	An agreement with a partner body that sets out the general purpose of the parties working together to instigate progression routes into Higher Education.
Memorandum of Understanding	An agreement with a partner body that sets out the general purpose of the parties working together to develop a long-term partnership.
