Interview Guidance

Congratulations on gaining an interview for our BA (Hons) Childhood Development and Playwork course. The information in this booklet will assist you in preparing for your interview and will give you an idea of what to expect on the day.

You have been selected for interview on the strength of your application. We feel you demonstrate a range of attributes and qualities that indicate you have the potential to succeed as a Childhood Development and Playwork professional. The process requires you to attend an informal interview so that we have a chance to make a decision as to your suitability for our course. You too must make a decision, based on your findings at interview, as to which university and course you think would best meet your needs as a learner. It is our aim to ensure you leave us with sufficient knowledge to make your decision wisely.

Do remember that an interview is a two way process and that you should treat the interview as an opportunity to ask the course team questions.
