Interview Guidance

Welcome to the interview process for entry to the Postgraduate or Undergraduate versions of our BACP accredited, professional counselling training course, here at Leeds Beckett University.

We are providing you with the questions prior to interview to allow you the opportunity to think about your answers in as fair and considered a manner as possible.

We will be looking for your ability to be reflective and capable of a balanced analysis of your personal resources and subject knowledge, so please bear that in mind when preparing your answers to the following questions.

1. **Can you reflect upon either a significant event or relationship and explain how it has impacted upon your development?**
2. **How has your awareness of your own identity and beliefs developed during your time in counselling training?**
3. **How have you made use of feedback on your course/work?**
4. **Can you outline your approach to counselling and tell us how you bring your own qualities into the work?**
5. **What do you see as being the main challenges for you on this course?**

Outcome following your interview

We will process either an offer of a place on the course or an unsuccessful decision via your Applicant Portal, usually within 5 days of your interview.
