46	Placement 3 Hub
47	
48	
49	
50	
51	
52	Re-Assessment
1	Annual Leave
2	Annual Leave

During the online enrolment time you will be asked to complete some preparatory online work.

Placements are 30 hours per week plus one day for University study.

Annual leave periods are fixed. They cannot be negotiated.

University study weeks will require you to attend university sessions for about 2-3 days (but sometimes more often).

Enrichment placements are the only placement you need to organise yourself. These are often volunteering opportunities.
