

Dear Applicant

Thank you for your application to study BSc (Hons) Occupational Therapy (UCAS code B930) at Leeds Beckett University. It is mandatory as a part of the application procedure and the entry requirement for all the applicants to undertake an interview prior to proceeding further with your application for study.

We would like to arrange an interview with you via Microsoft Teams about our BSc (Hons) Occupational Therapy course.

The time and date of your interview has been communicated to you via your UCAS Hub account.

Two days prior to your interview date you will receive an email which will include an online link for a Microsoft Teams session to join, along with confirmation of your individual interview time and a link for that session too. You do not need to download Microsoft Teams if you will be using a PC or laptop, as you will be able to join as a guest from the link. For other devices, you may need to download MS Teams. You will need access to the internet and a camera and microphone on your computer. If you think that it is not going to be possible for you to attend an online interview, it is very important that you let us know. You will be interviewed by one of our occupational therapy lecturers or an occupational therapy clinician who regularly has Leeds Beckett students on placement.

For further details regarding what to prepare for your interview please see the enclosed guidance information below.

What to do now:

Due to the typical number of applications we receive, it is now very important that you accept or decline our invitation to interview via your UCAS Hub account. You will not receive a copy of this letter through the post. Failure to respond will result in your UCAS application to this course being withdrawn.

If you have any special needs or requirements in attending the interview, please email us at ucasadmissions@leedsbeckett.ac.uk as soon as possible.

If you have any queries about any of the information contained in this letter or interview guidance, please contact us at ucasadmissions@leedsbeckett.ac.uk

We look forward to meeting you.

Yours sincerely

It is our aim to ensure you leave us with sufficient knowledge to make your decision wisely.

Please remember that an interview is a two-way process and that you should treat the interview as an opportunity to ask the course team questions.

Your interview will be structured as follows:

You will be able to find out more about this by researching and reading the NHS Constitution: <https://www.hee.nhs.uk/about-2/work-us/hee-applicant-guide/making-successful-application/values-based-recruitment>.

- Interview questions link to the principles and values of the NHS Constitution. We use scenarios and questions to understand how you have managed certain situations in your past or what you would do in a specific circumstance.
- We will also ask you about your understanding of the philosophy, practice and scope of occupational therapy.
- We can also discuss any aspects of the course which you may have questions about.
