# 1 Welcome to the Course

## 1.1 Message from the Dean of School

It gives me great pleasure to welcome you to the School of Events, Tourism and Hospitality Management.

**Our School's mission is to inspire and educate the events, tourism and hospitality leaders of tomorrow so that they can make a positive difference in the world.** This guides what we do: from what we teach to how we teach; from the topics we think we should research; to how we share the results of our endeavours. In trying to live up to our aspiration, we encourage critical thinking and a spirit of questioning among students and staff, and promote stakeholder engagement with those who share our ambitions to improve the world through events, tourism and hospitality education and research.

We claim a degree of success in achieving our ambitions. In December last year, a former postgraduate student won a competition organised by an influential trade body, which required him to demonstrate an advanced knowledge of cutting-edge event management practices. In January this year, one of our responsible tourism management alumna won the prestigious Women in Tourism award based on the success of her social enterprise. In March, we were told that four of our former students were named in the trade press as being among a list of 35 outstanding events professionals under the age of 35. This is remarkable given the tens of thousands of people working in this sector. 5 of our former students were listed in a similar exercise in 2018. To these we could add others, including the achievements of our current students, several of whom have already gained national recognition via professional association and subject association prizes.

My colleagues and I look forward to helping you gain the skills and knowledge associated with developing a career in your chosen field. You are joining an award-winning School; one that has been deemed a Centre of Excellence by two national industry bodies.

Our intention is to provide you with a top-class education that will enable you to join the labour market and prosper or to go on to further study at the highest levels. Even though you are not studying on campus, I am also hoping that you will become a proud member of

our alumni network. That way, we will continue to collaborate long after you started your education with us.

In the meantime, enjoy your studies!

Professor Rhodri Thomas

Dean - School of Events, Tourism and Hospitality Management

## 1.6 Working in Partnership

We are committed to working in partnership with you and the Students' Union to provide you with an inclusive, safe and engaging learning environment which is conducive to study for all our students and our staff. An important element of your time studying with us is your engagement in developing your learning. Your engagement and attendance on your course enables you to further your learning and supports your achievement, course completion and aspirations for the future. There is an expectation that students will attend, engage in their learning and submit for assessment. We provide support for you to maximise your time studying with us and to develop your learning, skills and abilities to support you in your chosen career path.

We seek active participation by all our students in the continuous enhancement of our courses and through our monitoring, annual review and enhancement processes. These are formal processes used by our University for assuring the academic standards and quality of your course and its continuous improvement. These processes utilise your feedback, External Examiners' reports, feedback from staff and others, data relating to student outcomes on the course and student surveys to reflect on areas of good practice and areas for further enhancement. We invite all students to participate in a range of opportunities to provide us with feedback on your course and modules. This may include discussions with staff, focus groups, and meetings (e.g. with Course Representatives or with staff) and formalised student surveys e.g. mid module reviews, end of module evaluations and specific course or other surveys such as the Student Barometer, National Student Survey and Destination of Leavers in Higher Education Survey. We utilise the outcomes of these surveys to benchmark our courses nationally and to inform annual course enhancements.

Informal feedback is also welcome at any time either via your Academic Advisor or module tutor or via your Course Representative. Our partnership with you enables us together to make the most of your learning experience with us and to enhance the quality and

reputation of your course. You can find out what actions have been taken in response to your feedback through your Course Representative, the Students' Union, your tutors or through the Library.

## 1.7 Course Representatives

You have the opportunity of becoming an elected Course Representative working in a voluntary capacity with students, the Students' Union, the Course Director and members of the course team and our University. The Course Director, working in partnership with our Students' Union, enables the process for election and appointment of Course Representatives. The Students' Union provides training and development for Course Reps and supports their engagement in enhancement activities. Being a Course Representative provides an opportunity for you to enhance your own learning and the development of relevant professional and employability skills in parallel with your studies.

As a Course Representative you would play an important role in:

- acting as a point of contact and advocate for students on your course and in supporting their active engagement;
- gathering feedback from students on your course to inform further enhancements to the quality of your course and the student experience;
- enabling dialogue and good communication between students and staff on the course;
- working with the Course Director, members of the course team and the Students' Union to enhance your course;
- facilitating and engaging in meetings about your course; and
- being an ambassador for your course.

Further details about Course Representatives are available on the Students' Union web site, on the Students web site and in our University's Academic Regulations.

We have had feedback via the Student Forum and student reps which has resulted in:

- Increased contact opportunities with staff (virtual / face to face / online) and between students through enhanced online portals and provision of study tours.
- Greater involvement in decisions about how your course is run.
- Helped managed the workload on the course by moving assignment dates to try and take account of workloads over Christmas and other busy periods and reducing the number of core readings.
- Enhancing your career prospects by promoting suitable job opportunities, providing live project work, and encourage you to shape your research project to a topic that will help you bridge to your next career step.

## 2 Studying on this Course

The aim of this course is to address the key management issues which arise through the activity of tourism. The philosophy followed in the course builds on the principles of the Cape Town Declaration for Responsible Tourism which acknowledges the importance of making “all forms of tourism sustainable through all stakeholders taking responsibility for creating better forms of tourism”. The implementation and challenges of this aspiration is through research informed teaching and the application of a critical edge to consider the concept of the triple bottom line, stakeholder theory, resilience, creating shared value, CSR and theories of change and change management (for example behavioural and institutional change).

The Course Specification explains how feedback will be provided on both formative and summative assessments.

As you work through each module you may also be asked to undertake a formative assessment. These do not contribute to your final grade but are important pieces of work that will help provide the foundation for the assessments which are graded (summative assessment). This gives you the opportunity to get feedback from your module tutors and to gauge how you are progressing on each module before you submit your graded assessment. Tutors are also happy provide feedback on your work by arranging a Skype tutorial.

### 3.3 How do I Get my Results?

Provisional results in most cases will be made available through MyBeckett. These results are not final and are subject to change following scrutiny by the External Examiner.

Results from module assessments and decisions on awards are available on the *Results Online* system from: [www.leedsbeckett.ac.uk/studenthub/results-online.htm](http://www.leedsbeckett.ac.uk/studenthub/results-online.htm).

Results will only appear within *Results Online* five working days after the date of the Progression and Award Board meeting (the meeting where your end of level outcome will be decided) or the Module Board meeting (the meeting where modular outcomes are decided).

If you are unsure about when you might receive your results or have queries relating to your results, you should contact your Course Administrator.

### 3.4 Extenuating Circumstances and Mitigation

If you are experiencing problems which are adversely affecting your ability to study (called 'extenuating circumstances'), then you can apply for mitigation. The University operates a fit to sit/fit to submit approach to extenuating circumstances which means students who take their assessment are declaring themselves fit to do so.

Examples of extenuating circumstances include personal or family illness, bereavement, family problems or being a victim of crime. You will need to provide evidence to prove your situation; the Students' Union Advice Service can offer guidance on what evidence you will need to present.

Further information can be found at [www.leedsbeckett.ac.uk/studenthub/mitigation](http://www.leedsbeckett.ac.uk/studenthub/mitigation).

You can request a Request for Extension / Mitigation / Authorised Absence Form from your Course Administration Team ([ethmpostgrad@leedsbeckett.ac.uk](mailto:ethmpostgrad@leedsbeckett.ac.uk)). Completed forms along with **appropriate evidence** must be submitted to your Course Administration Team within the timescales given in the guidance. Late submissions will normally be rejected. Outcomes from the mitigation panels, which are held approximately once a month, will be e-mailed to you via your student e-mail account.

If you have been recommended 'flexibility around deadlines' as a reasonable adjustment in your Reasonable Adjustment Plan, your Course Administrator will be able to advise you of the process.

### **3.5 Re-assessment**

If you have not passed a module at the first attempt you will be eligible for re-assessment. See your Module Handbook for details of the relevant re-assessment process (e.g. whether it is coursework, an examination, a presentation or other form of assessment/when it will take place/what the deadline is).

Re-assessment details can be found in MyBeckett along with the date for re-submission. You will be advised via Results Online of your options for re-assessment. It is your responsibility to make yourself available for re-assessment. You are advised to contact your Module Leader, Course Administrator or Academic Advisor for any necessary clarification.

### **3.6 Student Appeals**

If you feel that you have in some way been disadvantaged during your studies and this is reflected in your results, then you may have grounds for an academic appeal.

After your results are available on Results Online you have 15 working days to submit a request for an appeal hearing. You will find the information you need, including grounds for appeal, when and how to appeal and frequently asked questions at:

[www.leedsbeckett.ac.uk/studenthub/appeals.htm](http://www.leedsbeckett.ac.uk/studenthub/appeals.htm).

You are strongly advised to seek guidance from the Students' Union Advice Service on whether you have grounds for an appeal and the completion of the paperwork – see section 4 for Students' Union Advice Service contact details.

### **3.7 Academic Misconduct**

Academic integrity is a fundamental principle within the University and is strongly linked to good academic practice. The University has processes to investigate alleged breaches of

academic integrity and, where a breach of academic integrity is admitted or found, applies appropriate penalties. <https://www.leedsbeckett.ac.uk/studenthub/academic-integrity/>

Any attempt to gain an unfair advantage, whether intentional or unintentional, is a matter of academic judgement and may be considered to be a breach of academic integrity. Examples of unfair practice include, but are not limited to cheating, plagiarism, self-plagiarism, collusion, ghostwriting and falsification of data. Definitions of these offences and the serious consequences of breaching academic integrity can be found in our Academic Regulations: Section 10 Academic Integrity: [www.leedsbeckett.ac.uk/public-information/academic-regulations](http://www.leedsbeckett.ac.uk/public-information/academic-regulations).

There are a range of resources available to help you understand what is and what is not permitted and how to use other people's ideas in your assessed work. These include the Skills for Learning website which can be found at <http://skillsforlearning.leedsbeckett.ac.uk>

If you are unsure on how to reference your work correctly, please seek advice from your tutors or access the Skills for Learning resources online.

## **5 What to do if you..**

### **5.1 ...are unable to participate in your studies for a significant period of time**

Whilst we understand that as a Distance Learner you will most likely be balancing your study time alongside other commitments such as work and family, you must notify your Course Administrator and Online Learning Tutor if you are unable to participate in your studies for a significant period of time that will affect your study. If you are unable to submit a summative assessment due to illness on the day of an examination or assignment deadline and you intend to apply for mitigation, you must also provide us with details and any available evidence as soon as possible. Contact your Course Administrator to get a copy of the appropriate extenuating circumstances form.

For more information on ‘fit to sit’ and mitigation please visit

[www.leedsbeckett.ac.uk/studenthub/mitigation.htm](http://www.leedsbeckett.ac.uk/studenthub/mitigation.htm).

### **5.3 ...have a comment, compliment or complaint**

We are committed to providing a high quality experience for all our students. We welcome comments and compliments from students, and find them valuable for on-going improvements to our provision. Comments and compliments about your course can be

raised with your Course Representative or directly with your personal tutor/academic advisor.

If you have a specific complaint about an act or omission of our University, you may be able to make a complaint under the Student Complaints Procedure. In the first instance, you should raise the matter as soon as possible with the member of staff most directly concerned, or with the person who can best resolve it. If this does not resolve the matter, or if the complaint is too serious to be addressed in this way, then you should make a formal complaint in writing. Information about how to make a complaint, including the student complaints procedure and a complaints form, is available online at:

[www.leedsbeckett.ac.uk/studenthub/complaints.htm](http://www.leedsbeckett.ac.uk/studenthub/complaints.htm).

#### **5.4 ...are considering suspending studies or withdrawing from the course**

If you are considering withdrawal from your course you should speak to your personal tutor/academic advisor, a member of staff at our Student Hub or the Students' Union to discuss your reasons. If there is a problem, University or Students' Union staff may be able to help. It may be possible to arrange suspension of studies from your course.

<http://www.leedsbeckett.ac.uk/studenthub/changing-course/>

Withdrawing from your course permanently or temporarily could impact the availability of future student funding should you decide to return to the course or commence a new course at Leeds Beckett or elsewhere. Please seek advice from the Student Money Team or Students' Union Advice Team.

If you are considering withdrawing, permanently or temporarily, you must complete a withdrawal form, which you can obtain from your Course Administrator. This form must be submitted as soon as possible to your school office as withdrawals cannot normally be backdated. For further details see the Student Regulations at:

[www.leedsbeckett.ac.uk/public-information/student-regulations](http://www.leedsbeckett.ac.uk/public-information/student-regulations).

## 6 Relevant Policies

All student regulations and policies are available at: <http://www.leedsbeckett.ac.uk/public-information/student-regulations/>

### 6.1 Safety, Health and Wellbeing

If you are planning to visit the University in person you will need to make yourself aware of the following policies.

#### Policy Statement

Our University is committed to providing a vibrant, ethical and sustainable working environment that values wellbeing and diversity. This commitment exists alongside our wider legal and moral obligations to provide a safe and healthy working environment for our staff, students and members of the public who may be affected by our activities. Further details of our Health and Safety policies are available at: <http://www.leedsbeckett.ac.uk/public-information/student-regulations/>

#### Smoking

No smoking is permitted in any of our University buildings, this includes the use of vapour cigarettes (or other similar devices); if you do smoke outside our buildings please make sure that you stand at least five metres away from building entrances and boundaries.

#### Use of Laptops within our University

If you need to charge your laptop battery, please make sure that the battery charger/lead are undamaged, and only plug it into a designated power socket – if you are unsure of where these are, please ask a member of staff. Please make sure your battery charger cables do not create a trip hazard.

#### Fire Safety Procedures

Fire information is present on Fire Action Notices displayed in all our University buildings. These are normally present in corridors. Please read and follow the instructions.

All fire exit routes are clearly identified. You should familiarise yourself with the location of fire exit routes and fire assembly points for the buildings that you may use in the course of your studies which can be found on the blue and white Fire Action Notices. Use the nearest available route out which may not be the route you use daily to enter the building.

If you discover a fire, you should sound the alarm by operating the Fire Alarm Call Point. You should report the circumstances and site of fire using the emergency number 4444 - indicated on the Fire Action Notice.

Do not tackle the fire unless you have been trained to do so. Evacuate the building to the fire assembly point indicated on the Fire Action Notice. Do not re-enter the building until officially authorised to do so.

On hearing the Fire Alarm, everyone should proceed calmly to the nearest available safe fire exit, as indicated by the green and white fire exit signage. Take appropriate action to assist visitors and mobility-impaired persons or wheelchair users to a safe refuge.

Upon exiting the building, continue on to the fire assembly point so as not to impede the remaining evacuees exiting the building. Evacuation is practised through fire drills. However, you should regard any continuous sounding of the alarm as a fire incident and act accordingly.

### **Disabled Students**

You are expected to declare any disability that would affect your safety in the event of a fire, e.g. hearing impairment or the use of a wheelchair. If you are referred to the Disability Adviser, a Personal Emergency Evacuation Plan (PEEP) will be developed for you as appropriate.

Disabled students must declare their disability, to the University, for it to be taken into consideration. You can find further information about the support available to disabled students studying at our University and contact details on the Support tab in MyBeckett and our website: [www.leedsbeckett.ac.uk/studenthub/disability-advice](http://www.leedsbeckett.ac.uk/studenthub/disability-advice).

## First Aid

First Aid Notices (green and white) are displayed in all University buildings alongside the Fire Action Notices (predominantly blue and white) and alongside, or adjacent to, each First Aid box. First Aid Notices provide all the information you may require to seek and summon assistance.

First Aider contact details can also be obtained from the Student Hub or from Security: City Campus, internal ext. 23154 or Headingley Campus, internal ext. 23165.

## Accident and Incident Reporting

All accidents and incidents and dangerous occurrences, must be reported to, and recorded by University staff. Accident report forms (HS1) are available at reception offices, Security and Student Hubs.

## Infectious Disease

Campus-based students who have been diagnosed with a serious infectious disease such as TB, measles, meningitis or chicken pox should notify their Course Director or Course Administrator as soon as possible giving information regarding which groups of students (and/or colleagues and clients on placements) you have been in contact with and when. For diseases such as TB or meningitis, the West Yorkshire Health Protection Team may also wish to speak to you (or your family) to determine if others require screening or medication. You should follow advice given by the hospital or your GP about when it is safe to return to University.

## Zero Tolerance

You should also familiarise yourself with our Zero Tolerance Report and Support web page: <https://www.leedsbeckett.ac.uk/studenthub/zero-tolerance/>

## 6.2 Regulations

There are two sets of documentation you need to be aware of, the University Regulations and the Student Contract.

The Student Contract deals with a range of issues which apply to all students of our University.

### 6.3 University Academic Regulations

Our Academic Regulations can be found at: [www.leedsbeckett.ac.uk/public-information/academic-regulations](http://www.leedsbeckett.ac.uk/public-information/academic-regulations). You should familiarise yourself with these Regulations.

## **Engagement Statement**

The University expects you to engage with and fully contribute to all learning sessions within your distance learning modules. Fully engaging with your online presentations and activities is an important part of your learning, contributing both to the University community and the learning experience of you and your fellow students on the course.

We monitor your engagement with the course material as engagement and academic achievement are closely linked. Also, by monitoring engagement we can identify students who may need our guidance or support at an early stage to help them progress in their studies. This is part of our commitment to ensuring an excellent education and experience and supporting your success at Leeds Beckett.

The University does understand that from time to time there is good reason why you cannot engage with your studies for a significant period of time, and in this instance you must contact your School office or Online Learning Tutor to let them know so that our records can be updated accordingly.

Your Student Contract can be accessed at [www.leedsbeckett.ac.uk/public-information/student-regulations](http://www.leedsbeckett.ac.uk/public-information/student-regulations)
