1.4 Key Contacts

Course Director

Your Course Director is Dr. Robin Redhead. She is responsible for the overall operation of the group, the coherence of the Politics and International Relations programmes and their administration. She works in collaboration with the Academic Advisor, Student Administrator and Module Leaders. You should see Robin about matters of academic delivery across the programme, which are beyond the scope of an individual Course Leader. Robin can be contacted at r.redhead@leedsbeckett.ac.uk

Course Administrator

Abi Robinson is the student administrator looking after your course. She does all the administration to ensure that your course runs smoothly. If you have a query about your course, Abi is usually the **best person to ask first**.

Student administrators can also give you a confirmation of attendance letter, and a transcript. For course-related documents, such as handbooks, academic articles and assessment briefs you should log in to MyBeckett.

You can find Abi in Portland Building room 401 (PD401), City Campus

Email: A.M.Robinson@leedsbeckett.ac.uk

Tel: 0113 812 8697

Academic Advisor

Academic Advisors are your first point of contact for pastoral and study skills support. You will meet with your Academic Advisor fortnightly at the time specified on your timetable. These meetings will be an opportunity to enhance your academic writing and reading skills, as well as get helpful tips on assessments and understanding feedback. You are expected to attend the timetabled sessions, but are encouraged to contact your academic advisor outside of these sessions if there are any issues that are affecting your engagement and progress within the course.

Your Academic Advisor is Dr. Maria O'Reilly (M.F.OReilly@leedsbeckett.ac.uk)

Student Experience Team

If you have any questions about or problems with life at our University, the first place to call, email or contact is the Student Experience Team. The team can help with a broad range of enquiries including: funding and money advice, being an international student, disability, counselling and wellbeing support, student cards, accommodation, fee payments, support from the Students' Union, how to access on-line services, getting help with your CV, preparing for an interview, careers guidance and getting a part-time job. Details of these and other services are available under the Support and Opportunities tabs in MyBeckett, or on the 'Students' homepage: www.leedsbeckett.ac.uk/studenthub.

You can find members of the Student Experience Team in the Student Hubs on the ground floor of the Rose Bowl at City Campus and also in Campus Central at Headingley. Their telephone number is 0113 812 3000 and their e-mail address is studentexperience@leedsbeckett.ac.uk. They work closely with the course teams, the Students' Union, all University Services and external organisations to make sure that if they don't have the answer to your question they will know who will.

Course Representative

Course Representatives are student volunteers who represent your views at course-level, in course forums and in meetings with academic and support staff. Details about being a Course Representative are available at www.leedsbeckett.ac.uk/studenthub/course-representatives.htm. The Students' Union oversees Course Representatives and more information is available at <https://www.leedsbeckettsu.co.uk/studentvoice/coursereprs>

Academic Librarian

Academic Librarians provide tailored information and literature searching sessions to students as part of their courses and also offer one-to-one appointments for students and staff. Each Academic Librarian has a subject specialism and is responsible for evaluation electronic information sources, as well as providing training and tutorials. All new students are offered an induction session and follow up information skills teaching complemented by online guides, web pages and online tutorials to inform students of relevant resources and activities to support their programme of study. Your academic librarian is Kirsty Bower. You can contact Kirsty via email at k.bower@leedsbeckett.ac.uk.

1.5 Keeping in Touch

Academic and administrative staff at our University use your student email address to contact you. It is important that you check this account regularly. You can forward emails from your student email address to a preferred personal email address, however, quarantine and spam filters needed by our University mean that emails sent from external email addresses may be delayed, blocked or deleted. **It is therefore important that your student email address is the only email address that you use to contact University staff.** Information on how to access

your student email address can be found on the Student IT Support Pages (<http://libguides.leedsbeckett.ac.uk/mybeckett/emailtimetable>).

We will inform you of class activities and course notifications, including any cancellations. Any cancellations (should the situation arise) will be communicated to you via MyBeckett email.

For each module, the Module Handbook will include the preferred method of communicating general information about that module to you.

Please make sure that you inform your Course Administration team whenever you change your address and contact details. It is important that you also update your records yourself. You can do this via the My Account/Update my Data tab on MyBeckett. This will ensure we can always contact you in an emergency, and that you receive any important University communications that we may need to send you.

MyBeckett

MyBeckett, the portal and virtual learning environment provides:

- access to your modules and timetables;
- your reading lists and email account;
- your personal storage area on our University IT servers;
- information on where to look for academic or personal support (Support tab);
- information on opportunities such as jobs, careers, part-time work, placements and volunteering (Opportunities tab)

Further information and support for using MyBeckett can be found on the MyBeckett Support Pages (<http://libguides.leedsbeckett.ac.uk/mybeckett/guides>).

1.6 Working in Partnership

We are committed to working in partnership with you and the Students' Union to provide you with an inclusive, safe and engaging learning environment which is conducive to study for all our students and our staff. An important element of your time studying with us is your engagement in developing your learning. **Your engagement and attendance on your course enables you to further your learning and supports your achievement, course completion**

and aspirations for the future. There is an expectation that students will attend, engage in their learning and submit for assessment. We provide support for you to maximise your time studying with us and to develop your learning, skills and abilities to support you in your chosen career path.

We seek active participation by all our students in the continuous enhancement of our courses and through our monitoring, annual review and enhancement processes. These are formal processes used by our University for assuring the academic standards and quality of your course and its continuous improvement. These processes utilise your feedback, External Examiners' reports, feedback from staff and others, data relating to student outcomes on the course and student surveys to reflect on areas of good practice and areas for further enhancement. We invite all students to participate in a range of opportunities to provide us with feedback on your course and modules. This may include discussions with staff, focus groups, and meetings (e.g. with Course Representatives or with staff) and formalised student surveys e.g. mid module reviews, end of module evaluations and specific course or other surveys such as the Student Barometer, Postgraduate Taught Experience Survey and Destination of Leavers in Higher Education Survey. We utilise the outcomes of these surveys to benchmark our courses nationally and to inform annual course enhancements.

Informal feedback is also welcome at any time either via your Academic Advisor or module tutor or via your Course Representative. Our partnership with you enables us together to make the most of your learning experience with us and to enhance the quality and reputation of your course. You can find out what actions have been taken in response to your feedback through your Course Representative, the Students' Union, your tutors or through the Library.

1.7 Course Representatives

You have the opportunity of becoming an elected Course Representative working in a voluntary capacity with students, the Students' Union, the Course Director and members of the course team and our University. The Course Director, working in partnership with our Students' Union, enables the process for election and appointment of Course Representatives. The Students' Union provides training and development for Course Reps and supports their engagement in enhancement activities. Being a Course Representative provides an opportunity for you to enhance your own learning and the development of relevant professional and employability skills in parallel with your studies.

As a Course Representative you would play an important role in:

- acting as a point of contact and advocate for students on your course and in supporting their active engagement;
- gathering feedback from students on your course to inform further enhancements to the quality of your course and the student experience;
- enabling dialogue and good communication between students and staff on the course;
- working with the Course Director, members of the course team and the Students' Union to enhance your course;
- facilitating and engaging in meetings about your course; and
- being an ambassador for your course.

Further details about Course Representatives are available on the Students' Union web site, on the Students web site and in our University's Academic Regulations.

3 Assessment and Feedback

3.1 Assessment

Assessment Strategy

Information on the various methods of assessment can be found in the Course Specification.

University Assessment Regulations

Our University's assessment regulations are contained within the University Academic Regulations. Regulations on award eligibility are available at: www.leedsbeckett.ac.uk/public-information/academic-regulations/.

Assessment Schedule

Please note the exam/assessment periods in the academic calendar (see section 1) and make sure that you are available during those periods.

Examination

All examination information will be provided via MyBeckett. Each Module Leader will release the exam timetable when it becomes available. Students are expected to be available for the entire exam period. Module Handbooks will also provide information on the content of the exams. These are available on MyBeckett on the specific module page.

Coursework

All coursework assessment information will be provided in the Module Handbook for each module, which is available on MyBeckett on the specific module page.

Reasonable Adjustments and Assessment Support

Disabled students should contact Disability Advice at the earliest possible opportunity to discuss their support requirements for assessments and / or examinations.

Where adjustments are required in relation to examinations, Disability Advice should be contacted no later than **Friday 9 November 2018** in advance of the semester one exam period, and by **Friday 8 March 2019** in advance of the semester two exam period. This will provide the best chance of implementing the recommendations from the adjustment plan for that

semester's main exam period. Where applications are made after these dates, we will try to put recommendations in place, but this may not always be possible. Please see Disability Advice on the 'Support' tab in MyBeckett for further information.

Submitting Assignments

In most cases, assessments are submitted online via a Turnitin link provided on the module page on MyBeckett. Once students have submitted their assessments they should receive an electronic confirmation (receipt) of their submission. Students can find details of submission deadlines via MyBeckett on the specific module page. Please ensure that you submit your assessments on time as failure to do so will incur late penalties.

If your assessment is not submitted online, your Module Leader will provide you with the specific information on how to submit your work. These details will also be available in the Module Handbook.

The Skills for Learning webpage is a valuable resource you should ensure you take advantage of. It provides tips on essay writing, referencing, presentation skills and much more. You can find this resources at: skillsforlearning.leedsbeckett.ac.uk.

It is important for your progression and achievement that you submit all work for all assignments in a timely manner. It is also important that you keep copies of all work submitted until after you have graduated. You should also keep any receipts confirming the submission of assignments. In the event of your submitted work being lost you may be required to produce a copy of the work and submission receipt. If you are unable to do so, your work will not be marked.

It is important for your progression and achievement that you submit all work for all assignments in a timely manner. It is also important that you keep copies of all work submitted until after you have graduated. You should also keep any receipts confirming the submission of assignments. In the event of your submitted work being lost you may be required to produce a copy of the work and submission receipt. If you are unable to do so, your work will not be marked.

It is important to note that submitting all assignments is a requirement of your course. Should you experience extenuating circumstances which prevent you from submitting on time please

make yourself aware of section 3.4 of this handbook. Without any form of extenuating circumstances, standard penalties apply for late submission of assessed work. Full details of the penalties for late submission of course work are available in section 3.11 of the Academic Regulations at www.leedsbeckett.ac.uk/public-information/academic-regulations.

If you have been recommended 'flexibility around deadlines' as a reasonable adjustment in your Reasonable Adjustment Plan, your Course Administrator will be able to advise you of the process.

Turnitin

All work completed and submitted as part of your studies needs to be your own. Module Leaders use Turnitin in My Beckett modules to check the originality of your work. When you submit your work through Turnitin it will 'match' your work with a massive global database of books, e-books, journals, websites and other students' work. You can see if parts of your work 'match' work in the database and you can see if you have attributed this to the source. Where Module Leaders allow you to submit drafts of your assignments before the due date, you can run your work through Turnitin to get your own originality report. **You can use this report to double check you have referenced everything correctly in advance of submitting your final version.** Please be aware that once the due date for the assessment has passed, which ever draft of your work has been submitted will be the final version that will be marked. So make sure you run your turnitin reports at least 3 days before the deadline to ensure you have enough time to make edits to your assignment and submit the version you wish to be marked.

If you are not sure how to interpret the 'originality report' which Turnitin makes available to you please ask your Academic Advisor.

Further information on Turnitin is available here:

<http://libguides.leedsbeckett.ac.uk/mybeckett/turnitin>

3.2 Getting Feedback on your Assessed Work

Assessed work will normally be returned with appropriate feedback within four weeks of your submission. Each Module Handbook will provide you with specific guidelines on how and when you will receive this. The Course Specification explains how feedback will be provided on both formative and summative assessments.

In order for teaching staff to read, assess, provide excellent quality feedback and moderate your work we require a four week marking period. After the four week period, your provisional marks will be released. No mark is final until it has been read at the exam boards. The exam boards take place after each exam/assessment period.

3.3 How do I Get my Results?

Results from module assessments and decisions on awards are available on the *Results Online* system from:

www.leedsbeckett.ac.uk/studenthub/results-online.htm.

Results will only appear within *Results Online* five working days after the date of the Progression and Award Board meeting (the meeting where your end of level outcome will be decided) or the Module Board meeting (the meeting where modular outcomes are decided).

If you are unsure about when you might receive your results or have queries relating to your results, you should contact your Course Administrator.

3.4 Extenuating Circumstances and Mitigation

If you are experiencing problems which are adversely affecting your ability to study (called 'extenuating circumstances'), then you can apply for mitigation. The University operates a fit to sit/fit to submit approach to extenuating circumstances which means students who take their assessment are declaring themselves fit to do so.

Examples of extenuating circumstances include personal or family illness, bereavement, family problems or being a victim of crime. You will need to provide evidence to prove your situation; the Students' Union Advice Service can offer guidance on what evidence you will need to present.

Further information can be found at www.leedsbeckett.ac.uk/studenthub/mitigation.

If you wish to apply for extenuating circumstances should contact your Course Administrator who will advise you about the process and direct you to the appropriate forms. You can collect these forms from the Student Admin Office (PD401) or you can download them from: <http://www.leedsbeckett.ac.uk/studenthub/mitigation/>

If you have been recommended 'flexibility around deadlines' as a reasonable adjustment in your Reasonable Adjustment Plan, your Course Administrator will be able to advise you of the process.

3.5 Re-assessment

If you have not passed a module at the first attempt you will be eligible for re-assessment. See your Module Handbook for details of the relevant re-assessment process (e.g. whether it is coursework, an examination, a presentation or other form of assessment/when it will take place/what the deadline is).

You will be advised via Results Online of your options for re-assessment. You are advised to contact your Module Leader for any necessary clarification.

3.6 Student Appeals

If you feel that you have in some way been disadvantaged during your studies and this is reflected in your results, then you may have grounds for an academic appeal.

After your results are available on Results Online you have 15 working days to submit a request for an appeal hearing. You will find the information you need, including grounds for appeal, when and how to appeal and frequently asked questions at: www.leedsbeckett.ac.uk/studenthub/appeals.htm.

You are strongly advised to seek guidance from the Students' Union Advice Service on whether you have grounds for an appeal and the completion of the paperwork – see section 4 for Students' Union Advice Service contact details.

3.7 Academic Misconduct

Academic integrity is a fundamental principle within the University and is strongly linked to good academic practice. The University has processes to investigate alleged breaches of academic integrity and, where a breach of academic integrity is admitted or found, applies appropriate penalties.

Any attempt to gain an unfair advantage, whether intentional or unintentional, is a matter of academic judgement and may be considered to be a breach of academic integrity. Examples of unfair practice include, but are not limited to cheating, plagiarism, self-plagiarism,

collusion, ghost writing and falsification of data. Definitions of these offences and the serious consequences of breaching academic integrity can be found in our Academic Regulations: Section 10 Academic Integrity: www.leedsbeckett.ac.uk/public-information/academic-regulations.

There are a range of resources available to help you understand what is and what is not permitted and how to use other people's ideas in your assessed work. These include the Skills for Learning website which can be found at <http://skillsforlearning.leedsbeckett.ac.uk>

If you are unsure on how to reference your work correctly please seek advice from your tutors or access the Skills for Learning resources online.

4 Where to Get Help

4.1 Academic Advisor

Your Academic Advisor (see Key Contacts in section 1) will be an academic member of staff who teaches you on your course. Your Course Director will make sure that you are given the contact details of your Academic Advisor at the beginning of each year, usually in your course induction. Normally, your named advisor will aim to follow you right through the duration of your course.

Your Academic Advisor has an important role to play in supporting you in academic matters while you are studying on this course. If you are struggling with your work, want to discuss your assessments and ways to improve your marks, your named Academic Advisor is there to support you. Your meetings with the Academic Advisor should be led by you. You might want to talk about career aspirations, your course, your progress and /or your academic results. You may want to set objectives for academic goals. They will also be able to signpost you to Student Services who can advise on a range of matters such as financial worries, accommodation worries or if you are anxious or need counselling. You can access Academic and Personal Support on the 'Support' tab in MyBeckett, which may direct you to support services such as Student Experience Team, Wellbeing and the Students' Union Advice Service, or you can ask your Academic Advisor to help you access further support.

Getting to know your Academic Advisor in the first year of your course is really useful especially when University life and degree level study might be different from what you are used to.

4.2 Student Experience Team

If you have any questions about or problems with life at our University, the first place to call, email or contact is the Student Experience Team. The team can help with a broad range of enquiries including: funding and money advice, being an international student, disability, counselling and wellbeing support, student cards, accommodation, fee payments, support from the Students' Union, how to access on-line services, getting help with your CV, preparing for an interview, careers guidance and getting a part-time job. Details of these and other services are available under the Support and Opportunities tabs in MyBeckett, or on the 'Students' homepage: www.leedsbeckett.ac.uk/studenthub.

You can find members of the Student Experience Team in the Student Hubs on the ground floor of the Rose Bowl at City Campus and also in Campus Central at Headingley. Their telephone number is 0113 812 3000 and their e-mail address is studentexperience@leedsbeckett.ac.uk. They work closely with the course teams, the Students' Union, all University Services and external organisations to make sure that if they don't have the answer to your question they will know who will.

4.3 Disabled Students

Support for disabled students is available from our Disability Advice team. Support is available for students with a range of disabilities including:

- epilepsy, diabetes and IBS
- depression, anxiety and eating disorders
- dyslexia, dyspraxia, and AD(H)D
- Autism Spectrum Conditions
- Mobility difficulties
- Sensory impairments

Support is individually tailored depending on the nature of your disability and the demands of your course.

Disabled students can also access the Disability Resource Areas in each library and the support provided by the Library Learning Support Officer. More information is available at http://libguides.leedsbeckett.ac.uk/using_the_library/disabled_and_dyslexic_users.

More information on disability advice is available under the Academic and Personal Support sections of the Support tab in MyBeckett, and on the 'Students' home page.

4.4 Library Help

The Library

The Libraries at City Campus (Sheila Silver Library) and Headingley provide a range of study environments to suit your needs and are both open 24/7, 365 days a year. The website

(<http://libguides.leedsbeckett.ac.uk/home>) gives you access to thousands of resources and information about Library services available to support you.

Academic Librarian

Your academic librarian (see Key Contacts in section 1) liaises with your lecturers to ensure physical and electronic information resources for your subject are available in the Library and they work with you throughout your time here to help you develop information and digital literacy skills.

Help and Information Points

If you have any questions about using the library or need IT support you can get help:

- from the Help and Information Point on the ground floor of each library
- online (including 24/7 chat): http://libguides.leedsbeckett.ac.uk/contact_us
- by phone - 0113 812 1000 (including 24/7 IT support).

5 What to do if you..

5.1 ...are absent for more than one day

You must notify your Course Administrator if you are absent for more than one day (for example for an interview, emergency unforeseen circumstances, or for compassionate leave). If you are going to apply for mitigation you will need to provide written evidence of the reason for your absence (see section 3).

International Students

Please be aware that our University fully complies with United Kingdom Visas and Immigration (UKVI) policy at all times. There are legal reporting requirements for all students in the UK on a Tier 4 student visa, and full attendance is mandatory for all Tier 4 students. Failure to meet UKVI attendance requirements could lead to your academic sponsorship being withdrawn and your visa being revoked. Tier 4 students need to be aware of their responsibilities whilst in the UK, please see www.ukcisa.org.uk for full information.

For up to date information about visas, immigration issues and other matters relating to international students, please contact the International Student Advice Centre at internationalstudentadvice@leedsbeckett.ac.uk.

5.2 ...are ill

If you are unable to study because of illness for more than seven consecutive days (including weekends), you must provide us with a **Fit Note**:

"A fit note (or Statement of Fitness for Work) allows your doctor or other healthcare professional to give you more information on how your condition affects your ability to work. This will help your employer understand how they might help you return to work sooner or stay in work. Fit notes may also be called medical statements or a doctor's note." (NHS Choices, n.d.)¹

You can send a digital copy of your Fit Note to your Course Administrator, and then send the original by post.

¹ This quote is extracted from NHS Choices (n.d.) **What are fit notes?** [Online]. Available from: <<http://www.nhs.uk/chq>>. [Accessed 26 February 2016].

If you are absent through illness on the day of an examination or assignment deadline and you intend to apply for mitigation, you must also provide us with details and any available evidence as soon as possible. Contact your Course Administrator to get a copy of the appropriate extenuating circumstances form.

For more information on 'fit to sit' and mitigation please visit www.leedsbeckett.ac.uk/studenthub/mitigation.htm.

5.3 ...have a comment, compliment or complaint

We are committed to providing a high quality experience for all our students. We welcome comments and compliments from students, and find them valuable for on-going improvements to our provision. Comments and compliments about your course can be raised with your Course Representative or directly with your personal tutor/academic advisor.

If you have a specific complaint about an act or omission of our University, you may be able to make a complaint under the Student Complaints Procedure. In the first instance, you should raise the matter as soon as possible with the member of staff most directly concerned, or with the person who can best resolve it. If this does not resolve the matter, or if the complaint is too serious to be addressed in this way, then you should make a formal complaint in writing. Information about how to make a complaint, including the student complaints procedure and a complaints form, is available online at: www.leedsbeckett.ac.uk/studenthub/complaints.htm.

5.4 ...are considering suspending studies or withdrawing from the course

If you are considering withdrawal from your course you should speak to your personal tutor/academic advisor, a member of staff at our Student Hub or the Students' Union to discuss your reasons. If there is a problem, University or Students' Union staff may be able to help. It may be possible to arrange suspension of studies from your course.

Withdrawing from your course permanently or temporarily could impact the availability of future student funding should you decide to return to the course or commence a new course at Leeds Beckett or elsewhere. Please seek advice from the Student Money Team or Students' Union Advice Team.

If you are considering withdrawing, permanently or temporarily, you must complete a withdrawal form, which you can obtain from your Course Administrator. This form must be submitted as soon as possible to your school office as withdrawals cannot normally be backdated. For further details see the Student Regulations at: www.leedsbeckett.ac.uk/public-information/student-regulations.

6 Relevant Policies

All student regulations and policies are available at: www.leedsbeckett.ac.uk/public-information/student-regulations

6.1 Safety, Health and Wellbeing

Policy Statement

Our University is committed to providing a vibrant, ethical and sustainable working environment that values wellbeing and diversity. This commitment exists alongside our wider legal and moral obligations to provide a safe and healthy working environment for our staff, students and members of the public who may be affected by our activities. Further details of our Health and Safety policies are available at: www.leedsbeckett.ac.uk/public-information/student-regulations

Smoking

No smoking is permitted in any of our University buildings, this includes the use of vapour cigarettes (or other similar devices); if you do smoke outside our buildings please make sure that you stand at least five metres away from building entrances and boundaries.

Use of Laptops within our University

If you need to charge your laptop battery, please make sure that the battery charger/lead are undamaged, and only plug it into a designated power socket – if you are unsure of where these are, please ask a member of staff. Please make sure your battery charger cables do not create a trip hazard.

Fire Safety Procedures

Fire information is present on Fire Action Notices displayed in all our University buildings. These are normally present in corridors. Please read and follow the instructions.

All fire exit routes are clearly identified. You should familiarise yourself with the location of fire exit routes and fire assembly points for the buildings that you may use in the course of your studies which can be found on the blue and white Fire Action Notices. Use the nearest available route out which may not be the route you use daily to enter the building.

If you discover a fire, you should sound the alarm by operating the Fire Alarm Call Point. You should report the circumstances and site of fire using the emergency number 4444 - indicated on the Fire Action Notice.

Do not tackle the fire unless you have been trained to do so. Evacuate the building to the fire assembly point indicated on the Fire Action Notice. Do not re-enter the building until officially authorised to do so.

On hearing the Fire Alarm, everyone should proceed calmly to the nearest available safe fire exit, as indicated by the green and white fire exit signage. Take appropriate action to assist visitors and mobility-impaired persons or wheelchair users to a safe refuge.

Upon exiting the building, continue on to the fire assembly point so as not to impede the remaining evacuees exiting the building. Evacuation is practised through fire drills. However, you should regard any continuous sounding of the alarm as a fire incident and act accordingly.

Disabled Students

You are expected to declare any disability that would affect your safety in the event of a fire, e.g. hearing impairment or the use of a wheelchair. If you are referred to the Disability Adviser, a Personal Emergency Evacuation Plan (PEEP) will be developed for you as appropriate.

Disabled students must declare their disability, to the University, for it to be taken into consideration. You can find further information about the support available to disabled students studying at our University and contact details on the Support tab in MyBeckett and our website: www.leedsbeckett.ac.uk/studenthub/disability-advice.

First Aid

First Aid Notices (green and white) are displayed in all University buildings alongside the Fire Action Notices (predominantly blue and white) and alongside, or adjacent to, each First Aid box. First Aid Notices provide all the information you may require to seek and summon assistance.

First Aider contact details can also be obtained from the Student Hub or from Security: City Campus, internal ext. 23154 or Headingley Campus, internal ext. 23165.

Accident and Incident Reporting

All accidents and incidents and dangerous occurrences, must be reported to, and recorded by University staff. Accident report forms (HS1) are available at reception offices, Security and Student Hubs.

Infectious Disease

Campus-based students who have been diagnosed with a serious infectious disease such as TB, measles, meningitis or chicken pox should notify their Course Director or Course Administrator as soon as possible giving information regarding which groups of students (and/or colleagues and clients on placements) you have been in contact with and when. For diseases such as TB or meningitis, the West Yorkshire Health Protection Team may also wish to speak to you (or your family) to determine if others require screening or medication. You should follow advice given by the hospital or your GP about when it is safe to return to University.

6.2 Regulations

There are two sets of documentation you need to be aware of, the University Regulations and the Student Contract.

The University Regulations relate specifically to your studies and your course. They cover issues such as assessment, progression and award requirements amongst a range of other issues.

The Student Contract deals with a range of issues which apply to all students of our University.

Attendance Statement

The University expects you to attend and fully contribute to all mandatory sessions on your timetable as set out in your student contract. Engagement in your lectures, seminars and practicals is an important part of your learning - contributing both to the University community and the learning experience of your fellow students on the course.

We monitor your attendance at the University as regular attendance and academic achievement are closely linked. Moreover, by monitoring your attendance we can identify students who may need our guidance or support at an early stage to help them progress in their studies. This is part of our commitment to ensuring an excellent education and experience and supporting your success at Leeds Beckett.

The principal attendance system adopted within the University uses i-Beacons installed in all our teaching spaces which interacts with the Leeds Beckett application in your smartphone or tablet using Bluetooth technology. For those students who do not have a smart device you will be able to register manually via any student PC on campus allowing you to check in to your class. Some Schools may monitor your attendance via alternate methods which may include your lecturer asking you to sign a paper register.

The University does understand that from time to time there is good reason why you cannot attend a class, and in this instance you must contact your School office to let them know so the attendance system can be updated accordingly.

Please note that reports from the attendance system will allow attendance data to be shared with you and your Course team. You might be asked to contact the School office so that appropriate academic or pastoral support can be offered, should your attendance record give cause for concern.

Our most important aim is to support your studies, but we are also required to report attendance to various external bodies such as the Student Loan Company and the Home Office. There are measures in place for students who seek to falsely register either their own or fellow students' attendance.
