

Health Education England across Yorkshire & Humber (Northern Region) funds a range of Specialist Skills and Post-Registration Development (SSPRD, formerly CPD) activity at Leeds Beckett University. You can apply for this funding to pay your tuition fees. To be considered for funding your employer must be based within the HEE region and provide NHS Commissioned Services in Yorkshire and Humberside.

To apply for this funding, you need the support of your manager who should complete the confirmation below. We require that you and your manager complete the form below. The declaration in this form is an agreement between you, your employer and the University to share information and sets out some expectations. In signing the declaration your manager is not committing to pay any tuition fees.

APPLICANT

Table with applicant details: Name (print), Job Title, Clinical area, Department and Hospital, Employer Name and Address, Applicant Email Address, NHS Trust or CCG Title (please state if not applicable), NMC/HPCPIN (if applicable), Cervical Sample Taker Code (if applicable), Name of course or training session, Date of course or training.

If you are successful in obtaining funding, the university may be statutorily obliged by your professional and regulatory body to share your personal study information with your manager and Health Education England, for example, attendance, completion details and any aspect that may we feel may affect your ability to provide safe and effective professional healthcare practice. Please sign to confirm that you are in agreement with this. Funding is not available to those unwilling to sign this statement. Your data will be kept and shared sensitively and securely.
