## Who is it for?

The BIFM Level 4 Qualifications in facilities management provide a broad understanding of facilities management for newly appointed, practicing or aspiring operational facilities managers.

## What is it about?

BIFM Level 4 qualifications will develop your ability to use methods and skills to address problems that are well defined but complex and routine. This includes taking responsibility for overall courses of action as well as exercising autonomy and judgement within parameters. The qualifications also reflect understanding of different perspectives or approaches within an area of study or work. (Based on Ofqual level descriptor).

The study options available across the level 4 qualification are:

- **12 Credits**  
Approximately 49 hours study  
Level 4 Award
- **24 Credits**  
Approximately 98 hours study  
Level 4 Certificate
- **48 Credits**  
Approximately 196 hours study  
Level 4 Diploma
