Who is it for?

The BIFM Level 5 Qualifications in facilities management have been designed for facilities managers at middle/senior management levels.

What is it about?

BIFM Level 5 qualifications will help develop your abilities to use skills and methods to address broadly-defined complex problems. This includes taking responsibility for planning and developing courses of action as well as exercising autonomy and judgement. The study will also help you develop understanding of different perspectives, approaches or schools of thought. (Based on Ofqual level descriptor).

The study options available across the level 5 qualification are:

- **12 Credits**
Approximately 49 hours study
Level 5 Award
- **24 Credits**
Approximately 98 hours study
Level 5 Certificate
- **48 Credits**
Approximately 196 hours study
Level 5 Diploma

For more information about the qualification and range of topics available please visit the [BIFM website](#).

Assessment

All assessment is by coursework.
