## Who is it for?

The BIFM level 6 qualifications in facilities management are for senior, strategic facilities managers.

## What is it about?

BIFM level 6 qualifications develop the strategic skills and knowledge for those facilities professionals working at or aspiring to senior positions. By achieving the qualifications, you will reflect the ability to refine and use relevant understanding, methods and skills to address complex problems. They will help ensure that you are able to take responsibility for planning and delivering plans that are able to underpin substantial change or development, as well as exercising broad autonomy and judgment. (Based on Ofqual level descriptor).

The study options available across the level 6 qualification are:

- **10 Credits**  
Approximately 35 hours study  
Level 6 Award
- **30 Credits**  
Approximately 115 hours study  
Level 6 Certificate
- **60 Credits**  
Approximately 230 hours study  
Level 6 Diploma

For more information about the qualification and range of topics available please visit the [BIFM website](#).

## Assessment

All assessment is by coursework.
