

THE ROLE OF THE DIRECTOR AND THE BOARD

Leadership Centre

WHO THE COURSE IS AIMED AT

Directors of SMEs, including owner-managed companies or family businesses, newly appointed directors and those shortly to become directors.

LENGTH OF COURSE

Two days.

COURSE OVERVIEW

An essential introduction for directors who wish to gain an in-depth understanding of the critical role that they/ the board plays in shaping their organisation. The course is one of a series of modules that make up the Certificate in Company Direction. You can choose to register for and study the Certificate as a whole (10 days teaching in total) or as individual modules.

COURSE CONTENT

- An in-depth view of the key duties, roles and legal responsibilities of directors, corporate governance and the role of the board.
- An appreciation of the crucial differences between management, direction and ownership.
- Guidance on improving board effectiveness.

COURSE BENEFITS

Participation on this course will provide you with the knowledge to:

- Define the legal status of a company.
- Understand the essential differences between direction, management and ownership.
- Analyse the role of the board and identify good practice in the organisation and the running of a board.
- Understand the roles directors play and key director

relationships in different types of company and context.

- Examine the board's corporate governance role.
- Define the legal duties and liabilities of individual directors and the board.
- Understand disclosure of information requirements and other associated legal requirements and the law relating to directors and employees and other parties.
