DEGREE APPRENTICESHIPS AT LEEDS BECKETT UNIVERSITY

Leeds Beckett University offers a number of opportunities for individuals who want to pursue a Degree Apprenticeship.

This leaflet outlines some of the organisations where Degree Apprenticeships are delivered in partnership with our university. Depending on the location of the role and on the type of apprenticeship, you may study with universities other than Leeds Beckett University at different locations around the country.

If you are interested in finding out more about apprenticeship opportunities with a specific employer, search for live vacancies by visiting the employers' web pages or by emailing the contact given for the employer.

Beyond this list, there are many more organisations with whom we deliver Degree Apprenticeships. To find out more about our other opportunities or for more information on the content and structure of our Degree Apprenticeships, visit leedsbeckett.ac.uk/degreeapprenticeships or email apprenticeships@leedsbeckett.ac.uk.
