BA (Hons) Business Management Practice Chartered Manager Degree Apprenticeship

The BA (Hons) Business Management Practice Chartered Manager Degree Apprenticeship designed in collaboration with the Chartered Management Institute (CMI)

The BA (Hons) Business Management Practice Chartered Manager Degree Apprenticeship has been designed to offer levy paying organisations flexible and optional pathways to develop skills knowledge and competences to match business and industry needs.

Apprentices will be in full-time employment whilst studying towards this degree. Modules will be delivered in blocks and through work based learning and two way knowledge transfer between industry and academia. This degree enables apprentices to develop into confident and capable leadership and management professionals.

How does the degree apprenticeship work?

The course will take up to 4 years to complete, combining blended learning of on-the-job practical training with integrated academic learning. This blended approach is designed to be adaptable and flexible with a combination of face to face university teaching, online learning research and reflective practice and assessment.

The business projects are negotiated with the employer, offering students the opportunity to apply learning directly to their organisation with the business context.

Course structure

Strong career themes run throughout all levels of the course which allows contextualisation for you to co-create modules to meet the needs of your business.

- Fill your higher-level skills gaps – higher-level skills are vital to business performance and economic growth. Through degree apprenticeships you can fill your higher-level skills gaps efficiently and effectively by tailoring the learning.
- Develop existing staff – you can develop your existing staff by allowing them to undertake a Degree Apprenticeship or enabling them to work with a Degree Apprentice in the workforce, through mentoring opportunities and more.
- You will be responsible for recruitment of degree apprenticeships. However, we can work with you to promote your opportunities via our website.
- You will provide paid time off for on-campus study.
- Apprentices require a workplace mentor who will oversee their development and coordinate projects and learning with the University tutor.

Employer requirements

- Every apprenticeship must have an Apprenticeship Agreement. This is a contract of service between the apprentice and the employer, confirming the apprenticeship and the standard been undertaken. This will be supplemented by a 'Statement of Commitment' signed by the employer, provider and apprentice, setting out the expectations, roles and responsibility of each party involve in the apprenticeship.
- Apprentices must be employed and paid at least a minimum wage appropriate to their age and job role.

Funding

Organisations with a payroll exceeding £3 million per annum, make a payment of 0.5% of any staff costs above this threshold into an apprenticeship levy account. These monies are then available for the organisation to spend on accredited apprenticeship programmes.

If you are a non-levy paying organisation the government will co-fund your apprenticeship training by contributing 95% of the costs and you will pay the remaining 5% of costs.
