

Finding Employment and Career Advice

You may not have found a teaching job so far and this can lead to frustration. We would like to assist you in this matter by making you aware of the Careers service at Leeds Beckett University which could be your first port of call.

If you have graduated from Leeds Beckett University you can contact a Careers Adviser to seek further advice and/or book an appointment with them:

careers@leedsbeckett.ac.uk

Tel: 0113 812 5995 / 0113 812 7335

The careers adviser will assist you with making tailored, individual applications and help with interview techniques

You can always contact your university personal tutor or the NQT coordinator for additional support towards job applications. Email teachertraining@leedsbeckett.ac.uk with your request.

Listed below are a range of sources that will assist you with finding employment. Follow the tips to make sure you are doing all the right things. You can explore opportunities through:

www.prospects.ac.uk

Search for job vacancies to start now or in the future via the Prospects careers web site.

<https://www.gradstoteaching.org/>

The Graduate Teaching Scheme is a new opportunity for graduates to enter the teaching profession via a paid employment, working in schools. Every pupil deserves and needs great teachers.

This national scheme offers graduates the opportunity to work in schools in a salaried post and gain the necessary experience and skills needed to unlock an incredible career in teaching.

Seek Help with Interviews

There could be a very simple reason why the employer has not selected you for the job. Always ask for feedback after you have attended an interview. Maybe you struggled to sell yourself, or perhaps your experience was limited. Maybe you did not know how to respond to specific types of interview questions or did not give enough detail. Once you know what the reason is, you can get advice from a Careers Adviser about how to improve your interview technique next time.
