

**Election statement for:**

**Hadi Kazemi**

Proposer: Dr Stanley Njuangang

Secunder: Dr Stratis Koutsoukos

**Election:**

Election to Membership of the Academic Board as a representative of the Course Directors.

**Statement:**

I have been a Course Director since 2020, with responsibility across BSc, MSc, and Degree Apprenticeship provision. This experience has given me a strong understanding of the academic, operational, and strategic issues Course Directors engage with daily, and how shared priorities can be articulated effectively at institutional level. My motivation for standing is to ensure that Course Directors' perspectives on teaching, assessment, student engagement, and academic standards are clearly, fairly, and constructively represented at Academic Board.

I am committed to representing the shared interests and voice of Course Directors during a period of significant uncertainty and change across the higher education sector. I recognise the pressures colleagues face while sustaining academic quality and integrity.

In my role as Course Director representative, I worked closely with the PVC and contributed to the "Every Student Succeeds" strategic work, helping to bring together views from across Schools and translate them into balanced institutional-level input reflecting Course Director priorities.

Alongside this, I serve as a trustee for my relevant PSRB, engaging with professional education and industry-academia expectations. I also work with the Centre for Learning and Teaching and Advance HE.

If elected, I would bring an approachable, informed, and collaborative voice to Academic Board.
