

Election statement for:

Dr Pip Trevorrow

Proposer: Jackie Campbell

Secunder: Andrew Scholey

Election:

Election to Membership of the Academic Board as a representative of the Course Directors.

Statement:

I have been Course Director for Cyber Security and Digital Forensics in the School of BEEC, at Headingley Campus, since 2019. My courses include undergraduate (2xBSc and 1xMENG) and postgraduate awards (2xMSc). The courses recruit approximately 100+ undergraduate students and 40+ postgraduate students from diverse backgrounds each year; providing me with a wealth of experience with high numbers of students. I am Module Leader for 4 modules across Levels 5 and 6, teach at Level 4, supervise projects at Level 6, 7 and PhD students, and am an Academic Adviser.

I am currently on the team to deliver Independent Chair training for PhD Vivas and have been part of the steering group for SEATs providing insight from a CD perspective. I have been a reviewer on validation panels, internally and externally, for new and continuing courses. In 2020 I renamed and revised all my awards and drove 2 successful accreditation applications with the NCSC.

I am passionate about creating a strong and supportive teaching and learning experience, and sense of community, for all our students and staff, with the aim of producing work ready graduates. I have a lot to offer, and learn, from a role on Academic Board.
