| 2017            | 9                                 |
| 2016            | 13                                |
| 2015            | 12                                |
| 2014            | 18                                |
| 2013            | 11                                |
| 2012            | 10                                |
| 2011            | 9                                 |
| 2010            | 8                                 |
| 2009            | 10                                |
| 2008            | 8                                 |
| 2007            | 9 (5 at IIFA)                     |
| 2006            | 13                                |
| 2005            | 17                                |
| 2004            | 11                                |
| 2003            | 5                                 |
| 2002            | 5                                 |
| 2001            | 6                                 |
| 2000            | 4                                 |
| 1999            | 9                                 |
| 1998            | 5                                 |
| 1982 to<br>1997 | 68                                |

(Table 1: Total number of awards conferred each year)

- 3 The total number of awards conferred in each category to date (September 2018) is listed below in Table 2:

| <b>Category</b>               | <b>Number of Awards Conferred</b> |
|-------------------------------|-----------------------------------|
| Hon D Arts                    | 35                                |
| Hon D Business Administration | 26                                |
| Hon D Ed                      | 11                                |
| Hon D Eng                     | 2                                 |
| Hon D Laws                    | 17                                |
| Hon D Lit                     | 2                                 |

|                         |     |
