WELCOME TO LEEDS BECKETT UNIVERSITY

WE ARE DELIGHTED YOU HAVE CHOSEN TO ATTEND AN OPEN DAY

It is your chance to gain first-hand experience of what life as a postgraduate student at Leeds Beckett involves.

At the event you can:

• Discuss the courses you are interested in with academic staff.
• Explore our specialist teaching facilities, including art and design studios, music studios, sports science labs and clinical skills suite.
• Talk to specialist advisers about ways to finance your studies, such as government-backed Masters loans and other funding options.
• Chat with current students about postgraduate study.
• Look around the campuses and see where you could be studying.

This guide provides you with everything you need to know to get the most out of your visit. However, if you have any questions, please don’t hesitate to ask one of our staff members or Student Ambassadors.

WHICH CAMPUS SHOULD YOU VISIT?

Our Open Day is split across our City and Headingley campuses. You will need to visit the campus where the course you are interested in is taught. Check the A-Z subject list on pages 9-15 to find out if your chosen course will be represented at the event and where the subject stand will be.

GREAT PROSPECTS
97.7% of our UK postgraduate students are in work or further study six months after graduating*.

FLEXIBILITY
Most of our programmes offer a part-time option typically requiring a study commitment of only one day a week. Our distance learning courses are especially convenient, allowing you to study in your own time wherever you are in the world.

NETWORKING OPPORTUNITIES
Networking is a fantastic way of finding opportunities to progress your career. As a postgraduate student at the University you will meet people working in industry, enabling you to build contacts and learn from their experiences.

POSTGRADUATE LOANS
Many of our Masters courses are eligible for the postgraduate loan scheme. Talk to our Student Money Team to find out more.

CUTTING-EDGE RESOURCES AND LEARNING ENVIRONMENTS
We offer a wide range of learning resources on both campuses, including health and sports science labs, film studios, performance spaces and much more. The Library is open 24 hours a day, seven days a week, 365 days a year, so you can study at a time that suits you.

INDUSTRY LINKS
We design our courses to meet the needs and standards demanded by each related industry, drawing on the expertise of visiting lecturers from the professions, where relevant. The University’s connections in industry and links to accrediting bodies will enhance your learning experience and ensure your learning is relevant and current.
