POLICY STATEMENT

Purpose and Core Principles

The purpose of this policy is to set out employees' statutory paternity rights and additional contractual benefits offered by our University. The accompanying procedure provides clear guidance on the application of the policy and outlines the administrative processes to be followed by employees wishing to request time off under the provisions.

Scope

The policy and procedure is applicable to all eligible employees, in both birth and adoption situations.

Responsibility

Human Resources has responsibility for ensuring that this policy and procedure is adhered to and will provide advice and guidance to managers and employees on its application.

Review

This policy and procedure will be monitored on an annual basis and reviewed a minimum of every three years or sooner, in light of legislative changes and organisational requirements as appropriate.

PROCEDURE

1. PATERNITY/PARTNER LEAVE

1.1 Paternity/Partner Leave is available to employees wishing to take time off work to give much needed practical, emotional and other support to their partner, at or around the time of the birth, or adoption.

2. Eligibility for Paternity/Partner Leave

2.1 In order to qualify for paternity/partner leave, employees must meet the following conditions:

- Have, or expect to have, responsibility for the child's upbringing
- Be the biological father of the child, or the mother or adopter's husband or partner, including same sex partner or civil partner
- Have worked for our University continuously for at least 26 weeks by the end of the qualifying week which is either:
 - The 15th week before the expected week of childbirth; or
 - The week notification of being matched with a child is received.

3. Entitlement and Pay for Paternity/Partner Leave

3.1 Eligible employees may take up to a maximum of two weeks paternity/partner leave with full pay, before the end of the eighth week following their child's birth, or the child's placement for adoption. This pay includes Statutory Paternity Pay (SPP)¹.

3.2 In addition, up to a maximum of five half days with pay will be granted to the partner to attend ante-natal and child care clinics or in the case of adoptions, to attend pre-adoption interviews, visits, court appearances and child care clinics. Time off with pay will also be granted to the partner to attend the birth of the child (where this falls during normal working hours) up to a maximum of one day.

3.3 Paternity/Partner leave cannot start until the birth of the child. It must be taken in one block, either as one week's leave or two consecutive weeks. Paternity/Partner leave cannot be taken as odd days or two separate weeks. If employees choose to take only one-week's leave, a second week cannot be taken at a later stage.

3.4 Any bank holidays that fall within the period of leave will be accrued and added to the end of the paternity/partner leave.

3.5 If the child is born early, paternity/partner leave must be taken within the period of the actual day of birth up to eight weeks after the expected week of childbirth.

¹ Eligibility for SPP – average weekly earnings must be at or above the lower earnings limit for National Insurance contributions.

- 3.6 Only one period of paternity/partner leave will be available to employees irrespective of whether more than one child is born as the result of the same pregnancy or more than one child is placed for adoption as part of the same arrangement.

4. Notification for Paternity/Partner Leave

- 4.1 Employees must complete the relevant Paternity/Partner Leave Application Form (Appendix 1 or 2) and submit this to HR Services by the end of the qualifying week, unless this is not reasonably practicable. In the case of adoption, this should be no later than seven days after receiving the notification of a match of adoption.
- 4.2 Employees must confirm the actual date of birth, or date of adoption placement, and actual dates of paternity/partner leave, as soon as is reasonably practicable.
- 4.3 Employees can change the date on which their paternity/partner leave starts, by providing at least 28 days' written notice, to their manager and HR Services, or if this is not possible, as soon as is reasonably practicable.
- 4.4 On having being notified of the request for paternity/partner leave, HR Services will write to the employee confirming their leave and pay arrangements.
