Knowledge Exchange Outcomes:

If relevant, in brief, please describe any knowledge exchange outcomes such as new approaches to working with a community.

Project was unique in its bringing together of the art gallery within Ty Pawb – part of Tania Bruguera’s Arte-Util (Useful Art) network: <https://www.arte-util.org/about/colophon/> - with the market traders. Both communities existed side by side but had never before been encouraged and supported in working together.
