Brief Description of Project (250-1000 words max.)
In the field below please give a brief outline of the project and what it entailed.

The property podcast is the biggest property investor and developer podcast in the UK. They invite on experts to speak about their expert field. This podcast episode interviews Maryam Osman (me) as an architect with 15+ years' experience in the construction industry, on design-led property investment and development approach which enables the improvement of housing stock quality in the UK. It delves into how architects can envision space and transform into great homes for people to live. Taking rundown, empty or disused property and utilising design and build skills to bring homes to life.
