

Placement Support Bursary 2018/19.

Overview

The support for students accessing placements is intended to assist full-time undergraduate students commencing studies from September 2017 that require financial support towards travel and/or accommodation for either a short (e.g. 4-8 weeks) or sandwich/year-long placement where support is not available from elsewhere.

The amount payable will be assessed based on individual circumstances, and students wishing to apply will be asked to complete a short application and provide supporting documentation.

Students who meet the eligibility criteria listed below will be contacted by the university and invited to complete the online application for the bursary. If you believe that you meet the eligibility criteria, but have not been contacted about the bursary, please email
