Introduction

External Examiners are required by the terms of their appointment to submit an annual report. The report will be considered in depth during course annual monitoring activity. A record of the University’s responses to examiners’ reports also forms part of the documentation for this activity. It is also used in compiling our annual report on external examining.

Your report will be widely circulated and shared with Students and therefore we ask you not to refer to anyone by name or in a way that allows identification of an individual.

Please complete all sections of the report unless they are not relevant (such as you do not examine Collaborative or Degree Apprenticeship Provision). This report must be **submitted within 28 days of the main Progression and Award Board** and failure to submit within the required timescale may result in termination of your tenure as an external examiner without good reason.

NO EXAMINING FEES WILL BE PAID IF YOU FAIL TO SUBMIT YOUR ANNUAL REPORT.

As soemone who is working in industry I get a lot of emails and, as dealing with the university is not my day job, it is hard for me to switch on to what is beng asked of me and when. I would prefer to receive clear direction and instruction on what I need to do. The emails do not need to be as lengthy as they are and the email titles more suited to what I am being asked to do. Sometimes I am confused about meetings - wht the invite is and what my involvement will be. Maybe this will come with time but it could be clearer.
