Introduction

External Examiners are required by the terms of their appointment to submit an annual report. The report will be considered in depth during course annual monitoring activity. A record of the University’s responses to examiners’ reports also forms part of the documentation for this activity. It is also used in compiling our annual report on external examining.

Your report will be widely circulated and shared with Students and therefore we ask you not to refer to anyone by name or in a way that allows identification of an individual.

Please complete all sections of the report unless they are not relevant (such as you do not examine Collaborative or Degree Apprenticeship Provision). This report must be **submitted within 28 days of the main Progression and Award Board** and failure to submit within the required timescale may result in termination of your tenure as an external examiner without good reason.

NO EXAMINING FEES WILL BE PAID IF YOU FAIL TO SUBMIT YOUR ANNUAL REPORT.

On some modules the reports, copy of assessments and marks where not available 5 days before the field board. Having requested it the information was available before the board sat. Accordingly, scrutiny of the available documentation was a little rushed. If possible all information required by externals should be available 5 working days before the field board.

It would be beneficial to have timetabled slots (say 20 minutes) with the module leaders prior to the field board.

Final Comments

Are there any other final comments you would like to make in relation to your role as External Examiner?

Several module reports only provided the minimal acceptable amount of information. More reflective reports that highlight best practice, areas for improvement and possible solutions would be beneficial. This type of report and an opportunity for the external to discuss things with the module leader could identify possible ways to improve and/or enhance the student experience.

End of Tenure Report

If you are at the end of your tenure as External Examiner, please provide an overview of the development of the programme during your term of office. This overview will be of value to the University, the programme team and to the incoming External Examiner.

Please include commentary regarding academic standards and student achievement across cohorts during the examiner's period of appointment:

This Section is only to be completed by external examiners at the end of their tenure.
