Introduction

External Examiners are required by the terms of their appointment to submit an annual report. The report will be considered in depth during course annual monitoring activity. A record of the University’s responses to examiners’ reports also forms part of the documentation for this activity. It is also used in compiling our annual report on external examining.

Your report will be widely circulated and shared with Students and therefore we ask you not to refer to anyone by name or in a way that allows identification of an individual.

Please complete all sections of the report unless they are not relevant (such as you do not examine Collaborative or Degree Apprenticeship Provision). This report must be **submitted within 28 days of the main Progression and Award Board** and failure to submit within the required timescale may result in termination of your tenure as an external examiner without good reason.

NO EXAMINING FEES WILL BE PAID IF YOU FAIL TO SUBMIT YOUR ANNUAL REPORT.

Final Comments

The Exam Board was conducted with fairness and rigour and according to both the spirit of the regulations as well as the actual regs. Student achievement was always in focus. Good debate from the academic team at the Board with evidence of solid admin support. In the future, I look forward to the review of the course and how new technologies offer both peril and possibilities, and how the team address both.

Please include commentary regarding academic standards and student achievement across cohorts during the examiner's period of appointment:
