(a) The operation and conduct of the Progression and Award Board (and/or Module Board meeting you may also have attended).
Excellent

(b) The action, if any was required, taken in response to your report of last year. (This will not be relevant if you are examining for the first time.)
Satisfactory

(c) The overall performance of the students, in relation to that of comparable levels of work in other institutions.
Good

(d) The strengths and weaknesses of the students in general with respect to knowledge, conceptual grasp or application of skills.
Good

<b>(e) The standards of the structure, organisation, design and marking of all examination papers and/or other forms of assessment.</b>
Good
<b>(f) The curriculum, teaching or resourcing of the programme of study as indicated by the performance of the students in the assessment.</b>
<p>I am concerned, having spoken to students, in the light of the large number being recruited, that staff hours and availability are being stretched too thinly.</p> <p>The School has lost four full time members of staff this year. These will be replaced by temporary teachers, owing to the University-wide recruitment freeze. Recruiting these people will be burdensome on the PL and the Head of the School. These temporary staff, through no fault of their own, will be unlikely to have the level of commitment or depth of understanding that full time, long term staff have had.</p> <p>The impact of all this is likely to be a further erosion of the student experience, which will be reflected in the usual metrics (NSS, league tables, international rankings etc.)</p>
<b>(g) Comments on the use of My Beckett (Virtual Learning Environment) within the course (if applicable).</b>
<p>My Beckett does not appear to be a user-friendly platform. I am very grateful to the PL for navigating this system on my behalf in the presentation of samples.</p>
<b>(h) Module content, consistency of modules and module assessment across the course and the achievement of learning outcomes. (You may be asked by your School to provide detailed comments on the modules that you examine.)</b>
Good
<b>(i) Areas of student/staff engagement in teaching and learning, scholarship, research or professional practice.</b>
Excellent
<b>(j) The University welcomes external examiners' comments on its academic regulatory framework. Such comments may not have a direct bearing on standards set and achieved or the conduct of processes and so it may not be appropriate to include them elsewhere in this report or its summary. Please record any concerns or comments you may have here.</b>

**(k) Collaborative Provision: please include here any comments you wish to make on elements of collaborative provision for which you have responsibility (in addition to those you may have indicated previously in this report).**

<p><b>Recommended sample sizes at Leeds Beckett University are as follows:</b></p> <p><b>a) Samples should be determined by a square root of cohort size, no smaller than 6, no larger than 15.
