Introduction

External Examiners are required by the terms of their appointment to submit an annual report. The report will be considered in depth during course annual monitoring activity. A record of the University’s responses to examiners’ reports also forms part of the documentation for this activity. It is also used in compiling our annual report on external examining.

Your report will be widely circulated and shared with Students and therefore we ask you not to refer to anyone by name or in a way that allows identification of an individual.

Please complete all sections of the report unless they are not relevant (such as you do not examine Collaborative or Degree Apprenticeship Provision). This report must be **submitted within 28 days of the main Progression and Award Board** and failure to submit within the required timescale may result in termination of your tenure as an external examiner without good reason.

NO EXAMINING FEES WILL BE PAID IF YOU FAIL TO SUBMIT YOUR ANNUAL REPORT.

Final Comments

Are there any other final comments you would like to make in relation to your role as External Examiner?

This is my last year as external examiner at Leeds Beckett. I have found it to be a really positive experience. The social work courses I have examined have been of a high standard. The staff have been supportive and helpful.

End of Tenure Report

If you are at the end of your tenure as External Examiner, please provide an overview of the development of the programme during your term of office. This overview will be of value to the University, the programme team and to the incoming External Examiner.

Please include commentary regarding academic standards and student achievement across cohorts during the examiner's period of appointment:

This Section is only to be completed by external examiners at the end of their tenure.

Student achievement was consistent across the period of tenure. Where students were clearly struggling, support was indicated and improvement points made. Marking was also consistent, not necessarily in marking style but in terms of enabling students to recognise where to improve and how they met the learning outcomes. The units I examined across the 3 years were consistently interesting, fully aligned with professional and academic requirements. Both the practical and academic elements of the courses were appropriate in terms of content. I have confidence that the social work courses at Leeds Beckett will produce social workers at a high standard.
