Introduction

External Examiners are required by the terms of their appointment to submit an annual report. The report will be considered in depth during course annual monitoring activity. A record of the University’s responses to examiners’ reports also forms part of the documentation for this activity. It is also used in compiling our annual report on external examining.

Your report will be widely circulated and shared with Students and therefore we ask you not to refer to anyone by name or in a way that allows identification of an individual.

Please complete all sections of the report unless they are not relevant (such as you do not examine Collaborative or Degree Apprenticeship Provision). This report must be **submitted within 28 days of the main Progression and Award Board** and failure to submit within the required timescale may result in termination of your tenure as an external examiner without good reason.

NO EXAMINING FEES WILL BE PAID IF YOU FAIL TO SUBMIT YOUR ANNUAL REPORT.

not so much engagement with ongoing module tasks may partly explain less strong marks; these were associated with less knowledge and/or lack of analytical skills.

End of Tenure Report

If you are at the end of your tenure as External Examiner, please provide an overview of the development of the programme during your term of office. This overview will be of value to the University, the programme team and to the incoming External Examiner.

Please include commentary regarding academic standards and student achievement across cohorts during the examiner's period of appointment:

This Section is only to be completed by external examiners at the end of their tenure.

Throughout my appointment the programme curriculum and assessment have been relevant to the Nutrition profession and met the learning outcomes. Meanwhile the programme has developed to include the distance learning (DL). The development of the latter follows the rigor of the standard delivery and DL learners are not at disadvantage; resources, tasks and group activities promote engagement and I was happy to see similar grade results within both delivery modes including outstanding achievements.
