## Introduction

External Examiners are required by the terms of their appointment to submit an annual report. The report will be considered in depth during course annual monitoring activity. A record of the University’s responses to examiners’ reports also forms part of the documentation for this activity. It is also used in compiling our annual report on external examining.

**Your report will be widely circulated and shared with Students** and therefore we ask you not to refer to anyone by name or in a way that allows identification of an individual.

Please complete all sections of the report unless they are not relevant (such as you do not examine Collaborative or Degree Apprenticeship Provision). This report must be **submitted within 28 days of the main Progression and Award Board** and failure to submit within the required timescale may result in termination of your tenure as an external examiner without good reason.

**NO EXAMINING FEES WILL BE PAID IF YOU FAIL TO SUBMIT YOUR ANNUAL REPORT.**

## Section B

### Academic Standards

Please advise on the Academic Standards for the Programme:

B1) Do the Courses and its modules continue to be coherent and generally up-to-date and at an appropriate level to enable students to meet the relevant aims and learning outcomes? (required)

Yes

B2) What do you believe were the strengths and weaknesses of the students in general with respect to knowledge, conceptual grasp or application of skills? (required)

Strengths - The aims and learning outcomes are clearly defined and appropriate to the needs of the students. As explained in B1) above the inclusion of current initiatives in the field of Youth Work is relevant to professional vocational practice.  
  
Weakness - Taking into consideration the marking and assessment boycott, those students who received any feedback was appropriately given and marked. However, some of the students’ work was not marked but received feedback and visa versa. I am assuming this was due to the boycott, nevertheless, this caused difficulty in locating the work and comments on PebblePad.

B3) Are the marking/grading criteria or marking schemes set at the appropriate level of study and have they been consistently applied including internal moderation processes? (required)

Yes

B4) Did students receive adequate and helpful feedback to inform their future learning? (required)

Yes

B5) In your view please indicate how well you feel the course prepares students for progression to managerial or professional employment or further study? (required)

0= not at all, 10= fully

9

B6) Please provide any further comments to indicate how the course could better prepare students for progression to managerial or professional employment or further study (if applicable)

The process followed to complete the Placement Portfolio is useful for students to prepare for professional practice and delivery, it allows the opportunity to work in partnership with different individuals and organisations and to review and evaluate work. The PESTEL analysis in particular ensures students gain an understanding that there are many factors that impact themselves, people worked with and the organisations they work for. Continuing with the this analysis will continue to prepare students for progression.

B7) Have you had the opportunity to comment on or contribute to a review of the course including any proposed modifications or enhancements to provision? (required)

Yes

B8) If you have answered no to any of the above or would like to add any further points of clarity, please expand in the box below:
