Introduction

External Examiners are required by the terms of their appointment to submit an annual report. The report will be considered in depth during course annual monitoring activity. A record of the University’s responses to examiners’ reports also forms part of the documentation for this activity. It is also used in compiling our annual report on external examining.

Your report will be widely circulated and shared with Students and therefore we ask you not to refer to anyone by name or in a way that allows identification of an individual.

Please complete all sections of the report unless they are not relevant (such as you do not examine Collaborative or Degree Apprenticeship Provision). This report must be **submitted within 28 days of the main Progression and Award Board** and failure to submit within the required timescale may result in termination of your tenure as an external examiner without good reason.

NO EXAMINING FEES WILL BE PAID IF YOU FAIL TO SUBMIT YOUR ANNUAL REPORT.

Academic Standards

B1) Do the Courses and its modules continue to be coherent and generally up-to-date and at an appropriate level to enable students to meet the relevant aims and learning outcomes? (required)

Yes

B2) What do you believe were the strengths and weaknesses of the students in general with respect to knowledge, conceptual grasp or application of skills? (required)

students were able to demonstrate knowledge to a good level however regarding application in some cases this is where students struggled. This is not a criticism of the institution however as this seems to be an issue across higher education particularly post covid, students can grasp knowledge through self study revision but if engagement is an issue the application of that knowledge is sometimes lacking.

B3) Are the marking/grading criteria or marking schemes set at the appropriate level of study and have they been consistently applied including internal moderation processes? (required)

Yes

B4) Did students receive adequate and helpful feedback to inform their future learning? (required)

Yes

B5) In your view please indicate how well you feel the course prepares students for progression to managerial or professional employment or further study? (required)

0= not at all, 10= fully

8

B6) Please provide any further comments to indicate how the course could better prepare students for progression to managerial or professional employment or further study (if applicable)

my only observations would be regarding feedback which in some cases is inconsistent across exam scripts and written reports. in order for students to fully reflect on their performance and develop themselves further feedback is a crucial component.

B7) Have you had the opportunity to comment on or contribute to a review of the course including any proposed modifications or enhancements to provision? (required)

Yes

B8) If you have answered no to any of the above or would like to add any further points of clarity, please expand in the box below:

Final Comments

Are there any other final comments you would like to make in relation to your role as External Examiner?

I have enjoyed my first year in role of external examiner with some nice reviews taking place both in relation to assessment as well as programme modification. The only observation I have to make is the duration of the final board which took place on the 7th July. I was expected to attend the whole board which still had not finished (only made it through stage 1) in the 2 hours I was able to attend.

I feel some improvements could perhaps be made to the way in which this board is run to ensure that periods spent discussing in meetings is kept to a minimum (happy to attend pre-board meetings to discuss issues if require) and instead only key considerations are discussed in the main board instead of running through every student profile.

End of Tenure Report

If you are at the end of your tenure as External Examiner, please provide an overview of the development of the programme during your term of office. This overview will be of value to the University, the programme team and to the incoming External Examiner.

Please include commentary regarding academic standards and student achievement across cohorts during the examiner's period of appointment:

This Section is only to be completed by external examiners at the end of their tenure.
