(a) The operation and conduct of the Progression and Award Board (and/or Module Board meeting you may also have attended).
Both boards I attended were conducted smoothly, especially given the recent change to the administration of the Boards

(b) The action, if any was required, taken in response to your report of last year. (This will not be relevant if you are examining for the first time.)
NA

(c) The overall performance of the students, in relation to that of comparable levels of work in other institutions.
The overall performance of the students is difficult to judge because of the number of students at different stages on different awards, but those full results that I have seen seem comparable.

(d) The strengths and weaknesses of the students in general with respect to knowledge, conceptual grasp or application of skills.
This is difficult to comment upon given that I am only party to the results.

**(e) The standards of the structure, organisation, design and marking of all examination papers and/or other forms of assessment.**

I have not been provided with the papers prior to assessment.

**(f) The curriculum, teaching or resourcing of the programme of study as indicated by the performance of the students in the assessment.**

I am not privy to this information.

**(g) Comments on the use of My Beckett (Virtual Learning Environment) within the course (if applicable).**

I cannot comment.

**(h) Module content, consistency of modules and module assessment across the course and the achievement of learning outcomes. (You may be asked by your School to provide detailed comments on the modules that you examine.)**

I cannot comment.

**(i) Areas of student/staff engagement in teaching and learning, scholarship, research or professional practice.**

I do not have this information

**(j) The University welcomes external examiners' comments on its academic regulatory framework. Such comments may not have a direct bearing on standards set and achieved or the conduct of processes and so it may not be appropriate to include them elsewhere in this report or its summary. Please record any concerns or comments you may have here.**

No concerns – except that I am asked to comment above on matters in which I have not been involved.

**(k) Collaborative Provision: please include here any comments you wish to make on elements of collaborative provision for which you have responsibility (in addition to those you may have indicated previously in this report).**

My observation of the assessment board with the collaborative partner was that matters were dealt with appropriately.
