Introduction

External Examiners are required by the terms of their appointment to submit an annual report. The report will be considered in depth during course annual monitoring activity. A record of the University’s responses to examiners’ reports also forms part of the documentation for this activity. It is also used in compiling our annual report on external examining.

Your report will be widely circulated and shared with Students and therefore we ask you not to refer to anyone by name or in a way that allows identification of an individual.

Please complete all sections of the report unless they are not relevant (such as you do not examine Collaborative or Degree Apprenticeship Provision). This report must be **submitted within 28 days of the main Progression and Award Board** and failure to submit within the required timescale may result in termination of your tenure as an external examiner without good reason.

NO EXAMINING FEES WILL BE PAID IF YOU FAIL TO SUBMIT YOUR ANNUAL REPORT.

Final Comments

Are there any other final comments you would like to make in relation to your role as External Examiner?

I would like to thank the teaching team for their hard work and adaptive approach to student support. I'm sure I speak for the students in expressing my gratitude to those members of staff who chose to continue to work such that the teaching strike (marking boycott) would have minimum impact of the learning experience. While at the same time I would also acknowledge the right of those who chose to observe industrial action for better conditions. Navigating this experience is delicate and I appreciate the team's resolve to protect the learning experience.

A further comment of commendation is for the way the team supported the level 5 cohort (now level 6). This small group needed greater support with mental health Issues and its various impacts on study. It is pleasing to know that the reasonable adjustment plans made in each case, whilst not always taken up, offered the student's further ways to take advantage of the opportunities available to them. I appreciate the effort and care that is needed to respond generously to the needs of individuals.
