Introduction

External Examiners are required by the terms of their appointment to submit an annual report. The report will be considered in depth during course annual monitoring activity. A record of the University’s responses to examiners’ reports also forms part of the documentation for this activity. It is also used in compiling our annual report on external examining.

Your report will be widely circulated and shared with Students and therefore we ask you not to refer to anyone by name or in a way that allows identification of an individual.

Please complete all sections of the report unless they are not relevant (such as you do not examine Collaborative or Degree Apprenticeship Provision). This report must be **submitted within 28 days of the main Progression and Award Board** and failure to submit within the required timescale may result in termination of your tenure as an external examiner without good reason.

NO EXAMINING FEES WILL BE PAID IF YOU FAIL TO SUBMIT YOUR ANNUAL REPORT.

Final Comments

Are there any other final comments you would like to make in relation to your role as External Examiner?

- I have not found the process completely smooth from my perspective this year (partly from communication from LBU and partly myself in balancing my own Uni work along side LBU's, especially at assessment periods), BUT I do feel that futures years should run smoother simply by familiarisation to all aspects.

Michael Ward and his team have been committed to development in both curriculum and delivery, and student work is of a good to very good standard in the main. Grades do reflect this, with expected trends depending on cohort size and engagement. The feedback given does vary in format, which is both interesting and expected. As before, it is always detailed and ultimately useful to the students.

All teaching materials I have looked at are well presented, and clear in what needs to be achieved by the students (albeit the aforementioned). As mentioned in my March statement, the tasks set are suitable to the level and offer students not only to achieve academically, but importantly vocationally too.

End of Tenure Report

If you are at the end of your tenure as External Examiner, please provide an overview of the development of the programme during your term of office. This overview will be of value to the University, the programme team and to the incoming External Examiner.

Please include commentary regarding academic standards and student achievement across cohorts during the examiner's period of appointment:

This Section is only to be completed by external examiners at the end of their tenure.
