Summary of general arrangements

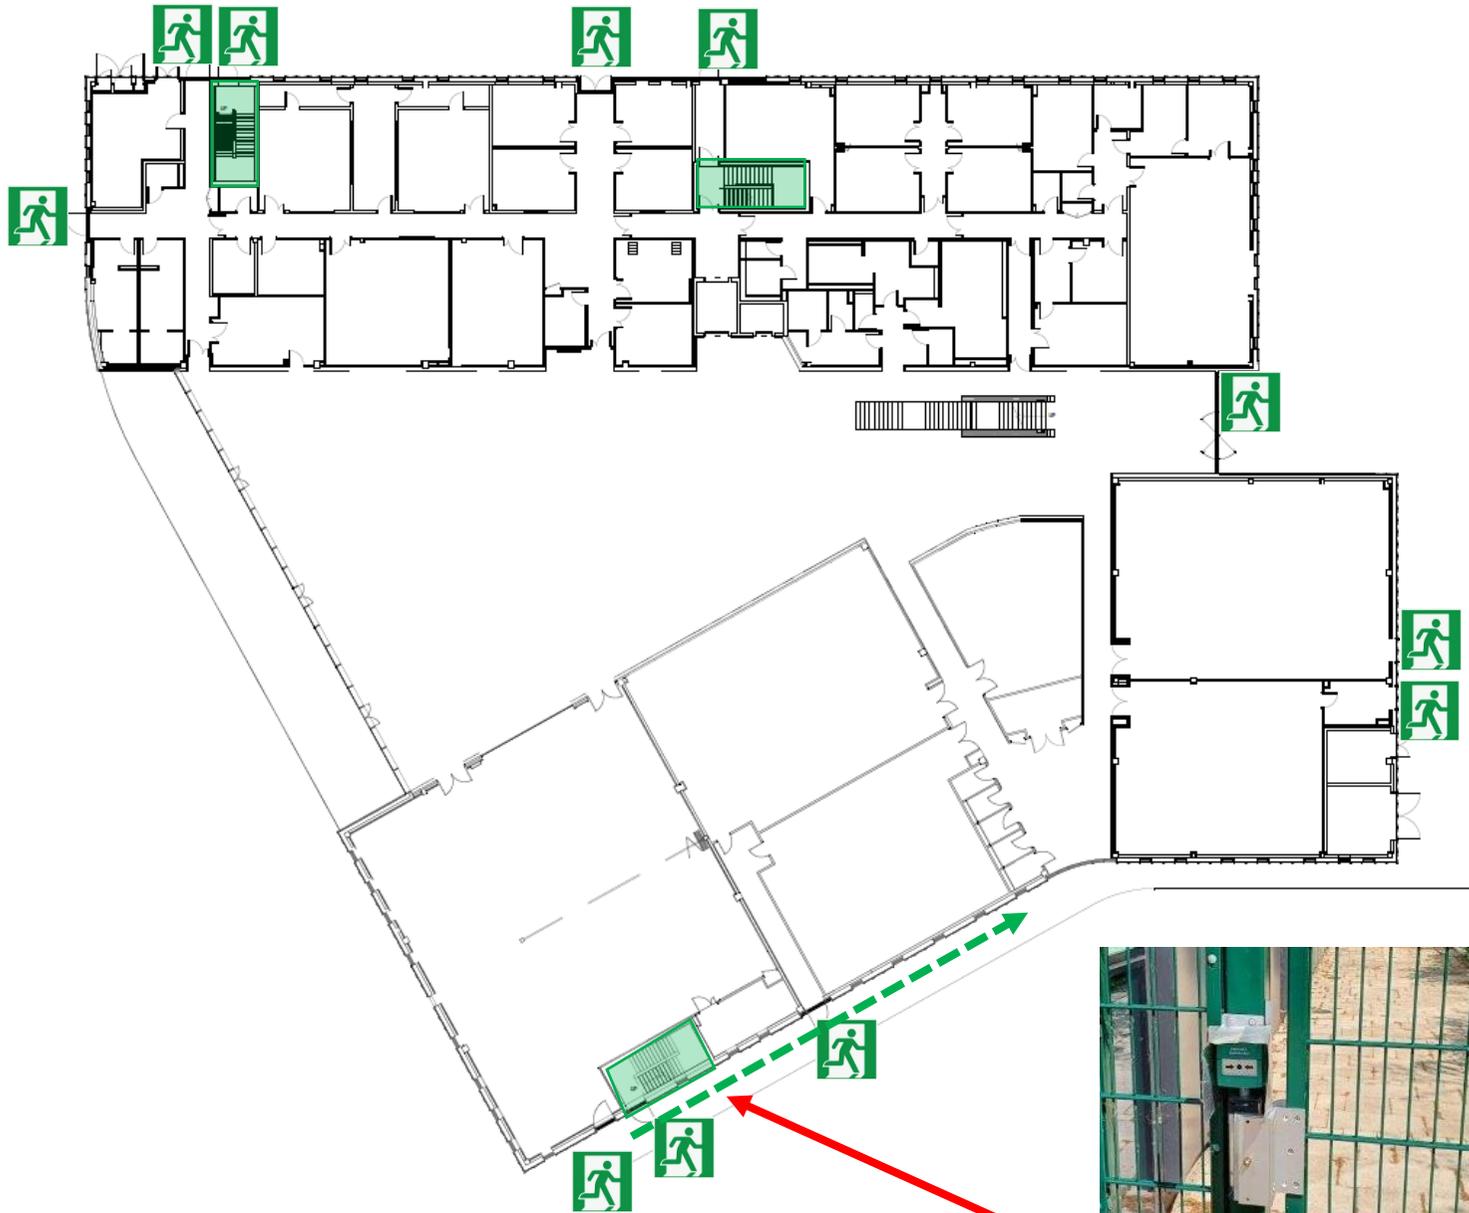

<p>Alarm tests:</p>	<ul style="list-style-type: none"> • The fire alarm audibility test is undertaken on Thursdays. • The test will last for no more than 15 seconds. • If an alarm sounds for more than 15 seconds or on any other day, you must evacuate.
<p>Evac-chairs</p> 	<ul style="list-style-type: none"> • An evacuation chair is located on floor 2 in the lift lobby.
<p>Refuge Points and Intercoms</p>	<ul style="list-style-type: none"> • The stairwells shaded in green on the floor plans below are protected stairs, and the landings of those stairwells can be used as a temporary refuge that is safe from smoke and flame ingress for at least 30 minutes when the fire doors are closed. • Emergency intercom points are located on floors 1 and 2 as indicated on the floor plans below.
<p>Final exits with level access</p>	<ul style="list-style-type: none"> • All final exits have level means of access / egress. • Note that on the south side of the building, the level means of escape goes along the side of the building away from the athletics track. There is a security gate along that route that should automatically unlock in the event of a fire alarm activation; if the gate does not unlock, there is an emergency override release.
<p>Lifts</p> 	<ul style="list-style-type: none"> • The lifts cannot be used in the event of the fire alarm being activated. • An evacuation chair is located on floor 2 in the lift lobby.
