Summary of general arrangements

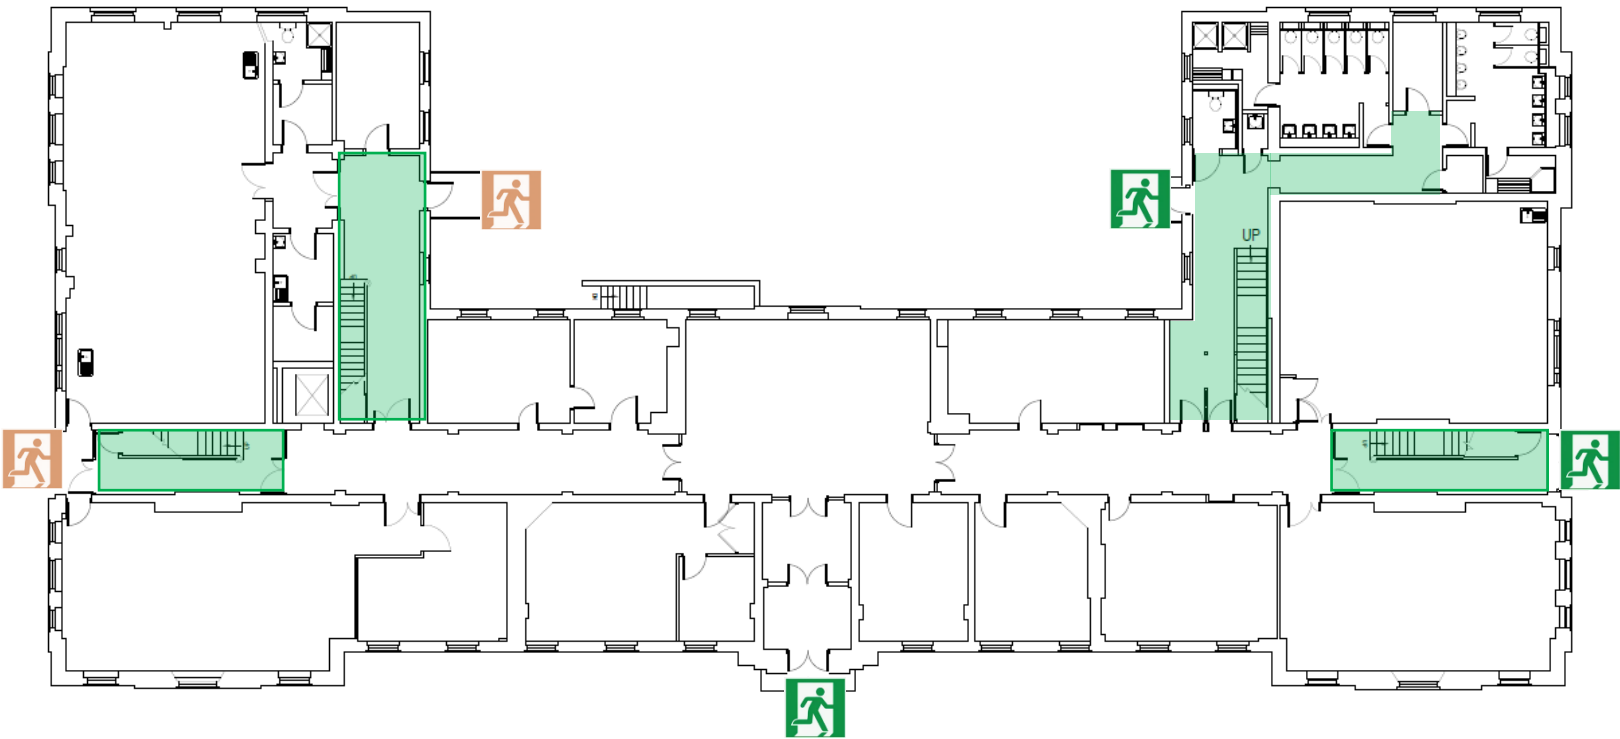

Alarm tests:	• The fire alarm audibility test is undertaken on Thursdays. • The test will last for no more than 15 seconds. • If an alarm sounds for more than 15 seconds or on any other day, you must evacuate.
Refuge Points	• The four stairwells are all protected stairs, and the landings can be used as a temporary refuge that is safe from smoke and flame ingress for at least 30 minutes when the fire doors are closed. • Communication with the evacuation management team can be made by phoning the University's Security Emergency number on 0113 812 4444.
Final exits with level access	• The main entrance (pictured on the cover) and the two exits closest to the Carnegie School of Sport building have level access egress. • All other exit routes have flights of external steps.
Lifts 	• The lift cannot be used in the event of the fire alarm being activated. • An evacuation chair can be requested from Security by calling 0113 812 4444.
