## Summary of general arrangements

<p><b>Fire alarm zones</b></p>	<ul style="list-style-type: none"> <li>• The Sports Centre consists of several buildings, some of which interconnect.</li> <li>• The fire alarm might sound in one or more of those buildings but not in others; this is normal.</li> <li>• If the fire alarm sounds in the Sports Centre building you are in:             <ol style="list-style-type: none"> <li>1. Proceed immediately to the designated Assembly Point;</li> <li>2. Do not go into another one of the buildings unless specifically instructed to do so by a member of staff.</li> </ol> </li> </ul>
<p><b>Alarm tests:</b></p>	<ul style="list-style-type: none"> <li>• The fire alarm audibility test is undertaken on Thursdays.</li> <li>• The test will last for no more than 15 seconds.</li> <li>• If an alarm sounds for more than 15 seconds or on any other day, you must evacuate.</li> </ul>
<p><b>Refuge Points</b></p>	<ul style="list-style-type: none"> <li>• The majority of the Sports Centre is at ground level, although there are some first-floor level areas.</li> <li>• Where the stairs that access those first-floor level areas are protected from smoke and flame ingress by fire doors, these are shaded in green on the floor plans below.</li> <li>• The landings in those stairs can be used as a temporary refuge, where you will be safe for at least 30 minutes if the fire doors are closed.</li> <li>• Communication with the evacuation management team can be made by phoning the University's Security Emergency number on 0113 812 4444.</li> </ul>
<p><b>Lifts</b></p> 	<ul style="list-style-type: none"> <li>• The lifts <b>cannot</b> be used in the event of the fire alarm being activated.</li> <li>• An evacuation chair can be requested from Security by calling 0113 812 4444.</li> <li>• There is also an evacuation chair in the Swimming Pool / Beckett Studio block.</li> </ul>
<p><b>Final exits with level access</b></p>	<ul style="list-style-type: none"> <li>• The floor plans below show which fire exits have level / ramped access and those that have some external stairs.</li> <li>• Note that some of the external escape routes incorporate either stairs, gravel pathways or both; these are marked on the plans.</li> </ul>
