

YOUR APPLICANT DAY SCHEDULE

SATURDAY 13 APRIL 2019

Check In

Thank you for booking onto an Applicant Day. This is a fantastic opportunity to explore your course in more detail and meet your future course-mates. When you arrive on the day, please remember to check in at the [Student Hub](#) at [Headingley Campus](#) where we will give you details about your course sessions and will answer any questions you might have. Our check-in desk is open from 09:30 - please try to arrive around 30 minutes before your first activity.

Sport & Exercise Nutrition

Session	Start	Finish
<p>Welcome Talk & Course Presentation</p> <p>This presentation will provide you with a brief overview of your chosen course, including an introduction to the course team, details of the course structure, the exciting new campus facility developments and career prospects.</p>	10:00	10:50
<p>Interactive Workshops and Free Time for Lunch, Accommodation and Campus Tours</p> <p>During this period, you will have the opportunity to take part in the following two interactive workshops, each 50-minutes in length, as well as enjoy an hour's free time for lunch, or to take part in any of the tours listed over the page.</p> <p>The order in which you take part in these workshops will vary depending on which group you are assigned to on the day.</p> <p>Workshop 1 – Nutrition and Physiology This interactive session will simulate a laboratory practical with our student volunteers put through their paces in a submaximal exercise test. Supported by our physiology and nutrition lecturers, you will examine acute physiological responses to exercise. You will use a range of cardiovascular, respiratory and metabolic measures to evaluate the body's response to exercise and increasing demand for energy. The session will provide you with a snapshot of how we evaluate the body's integrated response to exercise and demonstrate applications in sport and exercise nutrition.</p> <p>Workshop 2 – Nutrition for Health & Performance Food is more than fuel. Based on real life case studies this immersive interactive session will show how sport and exercise nutritionists play a vital role in optimising health and performance. Working alongside your course team you will explore the links between nutrition, physiology and psychology in a manner that reflects our action-orientated approach to learning and teaching.</p>	11:00	14:00
<p>Open Drop in Session</p> <p>We do not want you to leave with any unanswered questions. Please feel free to pop in and share any questions and comments before departing. This opportunity will be facilitated by members of our course team whom you will have met throughout the day.</p>	14:00	14:50

Campus Tours

Experience a taste of university life as our Student Ambassadors show you around Headingley Campus.
