Teaching & Education

Session	Start	Finish
<p>What to Expect</p> <p>This presentation will provide an overview of your chosen course, including an introduction to the course team, details of the course structure, the modules you will be studying, assessment methods and career prospects. The day will not be challenging. It will be an informal and sociable event led by the course leader. The course team hope you will enjoy it.</p>	10:00	10:30
<p>Sample Lecture - The English Schooling System: Fair Shares</p> <p>There is a clear link between children living in poverty in England and what children get out of schooling in terms of qualifications. Ofsted's priority is to improve the educational outcomes of disadvantaged pupils. Schools in the north of England consistently perform poorly when compared with schools in the south east of the country. Perhaps it is not that simple – poorer children equal poor qualifications? We will work together to explore these issues.</p>	10:30	11:00
<p>Sample Seminar – English Schooling and the Choice Agenda</p> <p>Seminars are the way we get to know our students and engage with them around deeper learning. This session will review the issues of parental choice within the English schooling system and we will work together in small groups to understand and debate what seems a very simple issue – parents select a school for their child - but actually there are a great deal of complex factors revolving around this simple choice.</p>	11:00	11:45
