Session	Start	Finish
<p>Welcome Talk & Course Presentation</p> <p>This short presentation will be delivered by members of our course team and will provide you with a brief overview of your chosen course. You will also find out about how your learning experience will interact with other courses in our subject area to form a truly collaborative working and educational environment.</p> <p>At the end of the presentation, you will also have the opportunity to meet teaching staff informally to find out more about your course and the School of Built Environment and Engineering.</p>	10:00	10:50
<p>The impact of a major building project on the environment - Group Project Workshop</p> <p>We want to provide you with the opportunity to experience what it's like to be a student on one of our courses, to see how we teach and to gain an insight into the problems we face/address as professionals in the built environment sector.</p> <p>Led by our industry-experienced academic team, you will be working in groups with fellow applicants on a combined task addressing contemporary issues to help you understand the impact our profession can have on the environment.</p> <p>Your parents/guests will leave you with fellow applicants to talk about different aspects of the course while you produce a considered response to the problem you have been set.</p> <p>You will have the opportunity to interact with our academic team and current students whilst you form new friendships with fellow applicants. You will tackle contemporary issues to help you understand the impact that our profession can have on the place we work and live.</p> <p>Parents/guests will then join you again following your activity to discuss the issues you have encountered.</p>	11:00	13:50
