

Hello everyone,

This year your AU Exec team is made up of:

AU President – Rebecca Greenwood

AU Vice-President (Events) – Ellie Porter

AU Vice-President (Inclusion) – Abigail Simmons

We appreciate that this year has and will be tough for a lot of our clubs, so the team will be focusing on our members and supporting them in this difficult period. This will be highlighted in the upcoming weeks, with a new support network for our clubs.

AU Exec will also be working with the AU, SU and other University services to support students through this lockdown period. This second lockdown will be challenging for all of us, and it is crucial we continue to engage with all of our members and support their health and wellbeing. This could be as simple as having zoom calls and virtual games nights in place of usual training and socials. The Social Sport team ([LINK TO SOCIAL MEDIA](#)) are encouraging everyone to take part in the #LBU2020Challenge, using the number 20 to focus your activity over the coming weeks. It would be great to see clubs supporting the challenge on our social media channels.

I would also like to take this opportunity to announce that Student Minds is our chosen charity this year and we will be working very closely with them to raise as much money as possible for this great cause. If your club is interested in supporting Student Minds, please contact AU Exec, where we can support your link with the charity.

Finally, a huge thank you from us, for all the work you have done so far this year!

Rebecca Greenwood (AU President)
