WHERE TO GO FOR IT SUPPORT
A High-level guide for Academic Colleagues

We understand it is sometimes difficult for colleagues to know where to go for IT help and support for the different tools available for online teaching. A number of professional services areas work together to support you and this infographic aims to help sign-post colleagues to the right team.

DIGITAL LEARNING

The Digital Learning Team supports colleagues with choosing and utilising digital tools for teaching and learning.

If you have questions or need support about specific learning tools or would like advice on which tool would be best for use with teaching you should contact Digital Learning.

Services Supported*

- MyBeckett
- Turnitin & digital assessment / exam tools
- PebblePad
- Google Workspaces
- Mobile Apps for the above
- Questions & advice about digital teaching tools

“ How do I know which approach to use when I am teaching in a blended or online way? If you do not know which digital tool I should use."

Please contact the Centre for Learning and Teaching for support and advice on teaching delivery.

Email: clt@leedsbeckett.ac.uk

“ I don't know which digital tool I should use."

If you do not know which digital tool you should use please speak with your Course Director/Head of Subject or Dean first to see if there is a local decision on the platform/tools to use and to support consistency for your students.

* This is a standard list and may include more services. If you are unsure who you should go to for advice or support you should contact the IT Service Desk. They will assist you or direct you to the correct support service.
